The Motorola T5200 is a great radio for camping, walking in the woods, and for other uses. The one thing I like about this radio is that it has a lot of features in it and it is palm sized. But the thing is that

it only goes up to two (2) miles and after you are out of range you can't hear the other person. The other issue is you have to be buying batteries for it. What I would recommend is if they can make it with rechargeable batteries.
