Ford Expedition - Wikipedia

The first thing I noticed about my 2004 Ford Expedition was the color scheme. The different shade of

green really caught my attention. There aren't 500 other cars with the same color. The leather interior is both comfortable and functional, and has held up well over time—especially considering I have 4 kids to haul around.

My expedition is comfortable and I have always felt totally safe driving it. My 2004 has close to 300,000 miles on it now and still runs great. Keeping it serviced regularly has increased the life of this vehicle and kept it running just like it's new.
