The Life I'm In *Scholastic Inc.*

The powerful and long-anticipated companion to *The Skin I'm In*, Sharon Flake's bestselling modern classic, presents the unflinching story of Char, a young woman trapped in the underworld of human trafficking. My feet are heavy as stones when I walk up the block wondering why I can't find my old self. In *The Skin I'm In*, readers saw into the life of Maleeka Madison, a teen who suffered from the ridicule she received because of her dark skin color. For decades fans have wanted to know the fate of the bully who made Maleeka's life miserable, Char. Now in Sharon Flake's latest and unflinching novel, *The Life I'm In*, we follow Charlese Jones, who, with her raw, blistering voice speaks the truths many girls face, offering insight to some of the causes and conditions that make a bully. Turned out of the only home she has known, Char boards a bus to nowhere where she is lured into the dangerous web of human trafficking. Much is revealed behind the complex system of men who take advantage of vulnerable teens in the underbelly of society. While Char might be frightened, she remains strong and determined to bring herself and her fellow victims out of the dark and back into the light, reminding us why compassion is a powerful cure to the ills of the world. Sharon Flake's bestselling, Coretta Scott King Award-winning novel *The Skin I'm In* was a game changer when it was first published more than twenty years ago. It redefined young adult literature by presenting characters, voices, and real-world experiences that had not been fully seen. Now Flake offers

readers another timely and radical story of a girl on the brink and how her choices will lead her to either fall, or fly.

The Skin I'm in

A First Look at Racism *B.E.S. Publishing*

Educates readers about racism and the negative effects it has on humanity by giving examples of racist behavior and teaching about the acceptance of different cultures and lifestyles.

I Love the Skin I'm In! *Mom Pub*

Ruby, a curious little girl, engages the reader in a wonderful dialog with her mother. *I Love the Skin I'm In!*, uniquely expresses rhythmic responses to curious questions about skin color. The book creates a beautiful rainbow of harmonious expressions of tolerance, self acceptance and love of oneself. It is a simplified way of explaining to children that regardless of skin color we are more alike than we are different.

The Skin We're In

A Year of Black Resistance and Power

In May 2015, the cover story of Toronto Life magazine shook Canada's largest city to its core. Desmond Cole's "The Skin I'm In" exposed the racist practices of the Toronto police force, detailing the dozens of times Cole had been stopped and interrogated under the controversial practice of carding. The story quickly came to national prominence, went on to win a number of National Magazine Awards and catapulted its author into the

public sphere. Cole used his newfound profile to draw insistent, unyielding attention to the injustices faced by Black Canadians on a daily basis- the devastating effects of racist policing; the hopelessness produced by an education system that expects little of its black students and withholds from them the resources they need to succeed more fully; the heartbreak of those vulnerable before the child welfare system and those separated from their families by discriminatory immigration laws. Both Cole's activism and journalism find vibrant expression in his first book, *The Skin We're In*. Puncturing once and for all the bubble of Canadian smugness and naive assumptions of a post-racial nation, Cole chronicles just one year-2017-in the struggle against racism in this country. It was a year that saw calls for tighter borders when African refugees braved frigid temperatures to cross into Manitoba from the States, racial epithets used by a school board trustee, a six-year-old girl handcuffed at school. It was also a year of solidarity between Indigenous people and people of colour in Canada, a commitment forged in response to sesquicentennial celebrations that ignored the impact of violent conquest and genocide. The year also witnessed the profound personal and professional ramifications of Desmond Cole's unwavering determination to combat injustice. In April, Cole disrupted a Toronto police board meeting by calling for the destruction of all data collected through carding. Following the protest, Cole, a columnist with the Toronto Star, was summoned to a meeting with the paper's opinions editor and was informed that his activism violated company policy. Rather than limit his efforts defending Black lives, Cole chose to sever his relationship with the publication. Then in July, at another TPS meeting, Cole

challenged the board publicly, addressing rumours of a police cover-up of the beating of Dafonte Miller by an off-duty police officer and his brother. A beating so brutal that Miller lost one of his eyes, and that went uninvestigated for four months. When Cole refused to leave the meeting until the question was publicly addressed, he was arrested. The image of Cole walking, handcuffed and flanked by officers, out of the meeting fortified the distrust between the city's Black community and its police force. (A trespassing charge against Cole will be challenged in the new year as a violation of his right to freedom of expression.) In a month-by-month chronicle, Cole locates the deep cultural, historical and political roots of each event so that what emerges is a personal, painful and comprehensive picture of entrenched, systemic inequality. Urgent, controversial and unsparingly honest, *The Skin We're In* is destined to become a vital text for anti-racist and social justice movements in Canada, as well as a potent antidote to the all-too-present complacency of many white Canadians.

Bang! *Little, Brown Books for Young Readers*

Mann is only thirteen, yet he has already had to deal with more than most go through in a lifetime. His family is still reeling from the tragic shooting death of his little brother, Jason, each person coping with grief in his or her own way. Mann's mother has stopped eating and is obsessed with preserving Jason's memory, while his father is certain that presenting a hard edge is the only way to keep his remaining son from becoming a statistic. Mann used to paint and ride horseback, but now he's doing everything he can to escape his emotions: getting involved in fights at

school, joyriding at midnight, and much worse. His father, at his wit's end, does the only thing he thinks will teach his son how to be a man he abandons him and his friend Kee Lee in the woods, leaving them to navigate their way home, alone.

Skin Again *Little, Brown Books for Young Readers*

From legendary author and critic bell hooks and multi-Caldecott Medalist Chris Raschka comes a new way to talk about race and identity that will appeal to parents of the youngest readers. The skin I'm in is just a covering. It cannot tell my story. If you want to know who I am, you have got to come inside and open your heart way wide. Race matters, but only so much--what's most important is who we are on the inside. Looking beyond skin, going straight to the heart, we find in each other the treasures stored down deep. Learning to cherish those treasures, to be all we imagine ourselves to be, makes us free. This award-winning book, celebrates all that makes us unique and different and offers a strong, timely and timeless message of loving yourself and others.

You Don't Even Know Me

Stories and Poems About Boys *Little, Brown Books for Young Readers*

This collection of original stories and poems provides rare insight into the minds of adolescent African American boys. There's Tow-Kaye, getting married at age seventeen to the love of his life, who's pregnant. James writes in his diary about his twin brother's terrible secret, while Tyler explains what it's like to be a player

with the ladies. And Eric takes us on a tour of North Philly on the Fourth of July, when the heat could make a guy go crazy. Sharon G. Flake's talent for telling it like it is will leave readers thinking differently, feeling deeply, and definitely wanting more.

The Skin You Live in *Chicago Childrens Museum*

Rhyming verse describes the diversity of skin color, promotes self-esteem, and explores how children can be both unique and similar at the same time.

Strong in the Skin I'm In

My Vitiligo Skin Journey

Strong In The Skin I'm In is the moving story of Joti, a young woman who battles for 21 years to free herself from her own skin, as a small white patch spreads across her body like a raging fire. The devastating onset of vitiligo strips her of her confidence and the ability to fully integrate herself into the normal world. From shielding behind make up and long-sleeved clothing for most of her young adult life to learning to love the white, patchy skin she now has, this is a powerful story of courage, self-love and acceptance of vitiligo. With positivity and purpose, this resilient mother and teacher shares her coping strategies, tips and techniques on how she transformed her life completely by supporting and inspiring others and becoming confident and strong in the skin she is in.

Loving the Skin I'm In *DP Kids Press*

The Charity Series is a creation of Heaven's Divine Kiss. It is

comprised of nine books that address various topics which can be challenging for young people to deal with, and adults often find difficult to discuss with them. Topics include Abuse, Abandonment, Adoption, Bullying, Black Lives Matter, Death of a Loved One, Loneliness, and Low Self-Esteem. This book of the series is about a young girl named Raven who struggles to accept her dark complexion. In her struggle to deal with her self-identity, Charity comes on the scene to help Raven see her beauty from within. This encounter helps your child embrace the beauty of their skin, no matter what hue.

Skin of the Sea *Random House Books for Young Readers*

INSTANT NEW YORK TIMES BESTSELLER • A Black mermaid takes on the gods themselves in this "impressive" fantasy debut that "blends West African history and Yoruban mythology to create a new fairy tale" (New York Times). The first book in a powerful series that is perfect for fans of *The Gilded Ones* and those eagerly anticipating the live action film adaptation of *The Little Mermaid*. A way to survive. A way to serve. A way to save. Simi prayed to the gods, once. Now she serves them as Mami Wata—a mermaid—collecting the souls of those who die at sea and blessing their journeys back home. But when a living boy is thrown overboard, Simi goes against an ancient decree and does the unthinkable—she saves his life. And punishment awaits those who dare to defy the gods. To protect the other Mami Wata, Simi must journey to the Supreme Creator to make amends. But all is not as it seems. There's the boy she rescued, who knows more than he should. And something is shadowing Simi, something that would rather see her fail. . . . Danger lurks at every turn, and

as Simi draws closer, she must brave vengeful gods, treacherous lands, and legendary creatures. Because if she fails, she risks not only the fate of all Mami Wata, but also the world as she knows it.

In the Skin of a Lion *Vintage*

Bristling with intelligence and shimmering with romance, this novel tests the boundary between history and myth. Patrick Lewis arrives in Toronto in the 1920s and earns his living searching for a vanished millionaire and tunneling beneath Lake Ontario. In the course of his adventures, Patrick's life intersects with those of characters who reappear in Ondaatje's Booker Prize-winning *The English Patient*. 256 pp.

Invisible Man, Got the Whole World Watching

A Young Black Man's Education *Bold Type Books*

A New York Times Bestseller An unflinching account of what it means to be a young black man in America today, and how the existing script for black manhood is being rewritten in one of the most fascinating periods of American history. How do you learn to be a black man in America? For young black men today, it means coming of age during the presidency of Barack Obama. It means witnessing the deaths of Oscar Grant, Trayvon Martin, Michael Brown, Akai Gurley, and too many more. It means celebrating powerful moments of black self-determination for LeBron James, Dave Chappelle, and Frank Ocean. In *Invisible Man, Got the Whole World Watching*, Mychal Denzel Smith chronicles his own personal and political education during these tumultuous years, describing his efforts to come into his own in a world that denied

his humanity. Smith unapologetically upends reigning assumptions about black masculinity, rewriting the script for black manhood so that depression and anxiety aren't considered taboo, and feminism and LGBTQ rights become part of the fight. The questions Smith asks in this book are urgent--for him, for the martyrs and the tokens, and for the Trayvons that could have been and are still waiting.

The Skin *New York Review of Books*

This is the first unexpurgated English edition of Curzio Malaparte's legendary work *The Skin*. The book begins in 1943, with Allied forces cementing their grip on the devastated city of Naples. The sometime Fascist and ever-resourceful Curzio Malaparte is working with the Americans as a liaison officer. He looks after Colonel Jack Hamilton, "a Christian gentleman . . . an American in the noblest sense of the word," who speaks French and cites the classics and holds his nose as the two men tour the squalid streets of a city in ruins where liberation is only another word for desperation. Veterans of the disbanded Italian army beg for work. A rare specimen from the city's famous aquarium is served up at a ceremonial dinner for high Allied officers. Prostitution is rampant. The smell of death is everywhere. Subtle, cynical, evasive, manipulative, unnerving, always astonishing, Malaparte is a supreme artist of the unreliable, both the product and the prophet of a world gone rotten to the core.

The Skin I'm in

An Intimate Journey With God *Createspace Independent Pub*

Join Jewel on her journey in "The Skin I'm In - An Intimate Journey With God" as you will discover how she overcame life's adversities through her relationship with God. With all of the chaos in the world today people, find it difficult to believe God still exists. If He still hears their prayers, continues to perform miracles as well as speak to individuals through prophetic dreams and visions. Spiritual warfare is very prevalent and most people have no idea how to combat the enemy of this world spiritually. Being transparent in her testimony Jewel has shared what she has endured. Verbal as well as physical abuse, death of loved ones, temptations of the world as a whole; during what she entitles her valley times. Through it all, she walked away victorious! She realized she is an over comer, an achiever, a dreamer, visionary and wonderfully made daughter of God. The author believes you will be blessed when you are done with the book.

You Are Not a Cat! *Astra Publishing House*

This clever and hilarious story stars Cat, who starts out perfectly content and relaxed, and Duck, who infuriates him by meowing like a cat instead of quacking like Cat thinks he should. Written completely in dialogue, this minimalist text is fun to read aloud and easy enough for newly independent readers to enjoy on their own. Humorous and deceptively simple artwork highlights the characters' personalities, showing Duck's quirkiness and good humor and Cat's rising frustration as Duck impersonates a variety of animals, refusing to concede that he is, indeed, a duck. Duck's silliness will appeal to children who enjoy pretend play, and older siblings will relate to Cat's annoyance as Duck refuses to leave

his side. Ideal for multiple readings, here is a concise, funny story with playful details in the artwork and humor that never fades.

The Skin I'm in *Jump At The Sun*

Thirteen-year-old Maleeka, uncomfortable because her skin is extremely dark, meets a new teacher with a birthmark on her face and makes some discoveries about how to love who she is and what she looks like.

Andrews' Diseases of the Skin

Clinical Dermatology *Elsevier Health Sciences*

Discusses new and emerging viruses including Zika and human polyomaviruses.

Money Hungry *Little, Brown Books for Young Readers*

The mesmerizing story of one girl's struggle to break her family's cycle of poverty is reissued with an arresting new cover. Thirteen-year-old Raspberry Hill is starved for money. She will do just about anything legal to get her hands on the almighty dollar -- wash cars, sell rotten candy, skip lunch, clean houses. She is obsessed. She is driven. She is afraid. Memories of being homeless, sleeping in the streets, and eating handouts keep Raspberry's eye on the only prize that matters to her: cold, hard cash. When the green stuff greases her palm, she gets comfort from feeling its crinkly paper power. And, when money is your best friend, there's more to do than hold it. Raspberry kisses her cash. She smells it. She loves it. But even money can't answer the questions that keep Raspberry awake at night. Will she and Momma ever move out of the projects? What did Ja'nae do with the two hundred bucks Raspberry loaned her? And what's really going on with Momma and that rich doctor? A haunting story of greed and forgiveness by the award-winning author of *The Skin I'm In*, this unforgettable novel will keep you glued to every page.

Bank on it.

Who Am I Without Him? *Little, Brown Books for Young Readers*

Strangers in Paradise *Penguin*

A woman bush pilot in Alaska finds love where she least expects it in this new novel from New York Times bestselling author Barbara Dunlop. Hailey Barosse always knew what her wealthy family expected of her: marry an affluent Georgia man, run a charitable organization, and provide her parents with two or three grandchildren. But Hailey rebelled. Instead, she moved far away from that suffocating life, and for six years she's built her independence by flying bush planes in the tiny town of Paradise, Alaska. Then a suave, handsome businessman arrives, shaking up her world and reminding her of her controlling family. Parker Hall wants to invest in her boss's airline, but Hailey doesn't trust him at all. He might be confident and charming, but she knows all about self-centered cutthroat industrialists—and Parker is one of them. Parker Hall prides himself on being a self-made entrepreneur. He earned his fortune by working day and night, expanding his gold mine and investing in new businesses that support his growing dream. His next opportunity is in Paradise, but his plans are quickly derailed by a fierce, beautiful pilot who both fights and fascinates him. The closer he gets to the feisty Hailey, the more she pushes him away. But Parker's not giving up, not on Paradise and not on Hailey. He's come a long way in life by being laser-focused on his passions, and this time is no different...

A Little Life

A Novel *Anchor*

NATIONAL BESTSELLER • A stunning “portrait of the enduring

grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's new novel, *To Paradise*, coming in January 2022.

Everything, Everything *Delacorte Press*

Risk everything . . . for love with this #1 New York Times bestseller. What if you couldn't touch anything in the outside world? Never breathe in the fresh air, feel the sun warm your face . . . or kiss the boy next door? In *Everything, Everything*, Maddy is a girl who's literally allergic to the outside world, and Olly is the boy who moves in next door . . . and becomes the greatest risk she's ever taken. My disease is as rare as it is famous. Basically, I'm allergic to the world. I don't leave my house, have not left my house in seventeen years. The only people I ever see are my mom and my nurse, Carla. But then one day, a moving truck arrives next door. I look out my window, and I see him. He's tall, lean and wearing all black—black T-shirt, black jeans, black

sneakers, and a black knit cap that covers his hair completely. He catches me looking and stares at me. I stare right back. His name is Olly. Maybe we can't predict the future, but we can predict some things. For example, I am certainly going to fall in love with Olly. It's almost certainly going to be a disaster. Everything, Everything will make you laugh, cry, and feel everything in between. It's an innovative, inspiring, and heartbreakingly romantic debut novel that unfolds via vignettes, diary entries, illustrations, and more. And don't miss Nicola Yoon's *The Sun Is Also A Star*, the #1 New York Times bestseller in which two teens are brought together just when it seems like the universe is sending them in opposite directions.

Ink Scholastic Inc.

There are no secrets in Saintstone. From the second you're born, every achievement, every failing, every significant moment are all immortalized on your skin. There are honorable marks that let people know you're trustworthy. And shameful tattoos that announce you as a traitor. After her father dies, Leora finds solace in the fact that his skin tells a wonderful story. That is, until she glimpses a mark on the back of his neck . . . the symbol of the worst crime a person can commit in Saintstone. Leora knows it has to be a mistake, but before she can do anything about it, the horrifying secret gets out, jeopardizing her father's legacy . . . and Leora's life. In her startlingly prescient debut, Alice Broadway shines a light on the dangerous lengths we go to make our world feel orderly--even when the truth refuses to stay within the lines. This rich, lyrical fantasy with echoes of Orwell is unlike anything you've ever read, a tale guaranteed to get under

your skin . . .

Begging for Change *Little, Brown Books for Young Readers*

H "Flake's strength . . . lies in developing genuine, believable adults and children."-BCCB (starred review) H "Flake's charged, infectious dialogue will sweep readers through the first-person story."-Booklist (starred review) Fourteen-year-old Raspberry Hill is still struggling to find security in her life. More than anything, she wants a father who will love and protect her, like Zora's dad. When her mother is attacked, Raspberry does the unthinkable: she steals money from Zora, her best friend. It's only when her thieving, drug-addicted father returns that Raspberry begins to wonder whether betraying Zora will cost her more than she can ever repay. Is Raspberry destined to follow in her father's footsteps? Raspberry is certain something's got to change.

Our Skin: A First Conversation About Race *Penguin*

Based on the research that race, gender, consent, and body positivity should be discussed with toddlers on up, this read-aloud board book series offers adults the opportunity to begin important conversations with young children in an informed, safe, and supported way. Developed by experts in the fields of early childhood and activism against injustice, this topic-driven board book offers clear, concrete language and beautiful imagery that young children can grasp and adults can leverage for further discussion. While young children are avid observers and questioners of their world, adults often shut down or postpone conversations on complicated topics because it's hard to know where to begin. Research shows that talking about issues like

race and gender from the age of two not only helps children understand what they see, but also increases self-awareness, self-esteem, and allows them to recognize and confront things that are unfair, like discrimination and prejudice. This first book in the series begins the conversation on race, with a supportive approach that considers both the child and the adult. Stunning art accompanies the simple and interactive text, and the backmatter offers additional resources and ideas for extending this discussion.

The Skin *Blazing Wren Books*

'You cannot fix this world alone, selkie.' 'I know. But, when we die, all that is left are shadows of our lives preserved in the memories of those who remain. I plan on leaving an exceptionally long shadow, filled with ripples of moonlight for those I helped, and darker than the worst of nightmares for those who wronged us.' How far would you go to save your skin? I'm a selkie, trapped above the waves until I can recover my skin. Humans used to call us seal-wives many years ago - before they broke the planet. I thought that less humans, after the warming, would mean less danger. My kind believed our world was finally recovering. We were wrong. Up here, the magic is fading and Old Ones like me are being traded as trophies for rich and powerful humans to display in collections. Without the Old Ones, the magic fades, without magic, the planet dies. Humankind has gone too far and someone has to put a stop to it, I just wasn't expecting it to be me. As the selkie begins her hunt, far to the south on his enormous pleasure ship, Barge, Lord Sal hunts for missing Old Ones with a grand plan to leave his own mark on the world. Icidro

and Prince Ulises are searching for them too, and this is a world where money talks louder than morals.

Unstoppable Octobia May *Scholastic Inc.*

Bestselling and award-winning author, Sharon G. Flake, delivers a mystery set in the 1950s that eerily blends history, race, culture, and family. Octobia May is girl filled with questions. Her heart condition makes her special - and, some folks would argue, gives this ten-year-old powers that make her a "wise soul." Thank goodness for Auntie, who convinces Octobia's parents to let her live in her boarding house that is filled with old folks. That's when trouble, and excitement, and wonder begin. Auntie is non-traditional. She's unmarried and has plans to purchase other boarding homes and hotels. At a time when children, and especially girls, are "seen, not heard," Auntie allows Octobia May the freedom and expression of an adult. When Octobia starts to question the folks in her world, an adventure and a mystery unfold that beg some troubling questions: Who is black and who is "passing" for white? What happens when a vibrant African American community must face its own racism? And, perhaps most important: Do vampires really exist? In her most and probing novel yet, Sharon G. Flake takes us on a heart-pumping journey.

Skin in the Game

Hidden Asymmetries in Daily Life *Random House Trade Paperbacks*

#1 NEW YORK TIMES BESTSELLER • A bold work from the author

of *The Black Swan* that challenges many of our long-held beliefs about risk and reward, politics and religion, finance and personal responsibility. In his most provocative and practical book yet, one of the foremost thinkers of our time redefines what it means to understand the world, succeed in a profession, contribute to a fair and just society, detect nonsense, and influence others. Citing examples ranging from Hammurabi to Seneca, Antaeus the Giant to Donald Trump, Nassim Nicholas Taleb shows how the willingness to accept one's own risks is an essential attribute of heroes, saints, and flourishing people in all walks of life. As always both accessible and iconoclastic, Taleb challenges long-held beliefs about the values of those who spearhead military interventions, make financial investments, and propagate religious faiths. Among his insights:

- For social justice, focus on symmetry and risk sharing. You cannot make profits and transfer the risks to others, as bankers and large corporations do. You cannot get rich without owning your own risk and paying for your own losses. Forcing skin in the game corrects this asymmetry better than thousands of laws and regulations.
- Ethical rules aren't universal. You're part of a group larger than you, but it's still smaller than humanity in general.
- Minorities, not majorities, run the world. The world is not run by consensus but by stubborn minorities imposing their tastes and ethics on others.
- You can be an intellectual yet still be an idiot. "Educated philistines" have been wrong on everything from Stalinism to Iraq to low-carb diets.
- Beware of complicated solutions (that someone was paid to find). A simple barbell can build muscle better than expensive new machines.
- True religion is commitment, not just faith. How much you believe in something is manifested only by what you're

willing to risk for it. The phrase "skin in the game" is one we have often heard but rarely stopped to truly dissect. It is the backbone of risk management, but it's also an astonishingly rich worldview that, as Taleb shows in this book, applies to all aspects of our lives. As Taleb says, "The symmetry of skin in the game is a simple rule that's necessary for fairness and justice, and the ultimate BS-buster," and "Never trust anyone who doesn't have skin in the game. Without it, fools and crooks will benefit, and their mistakes will never come back to haunt them."

Tell Me Lies

A Novel *Simon and Schuster*

Soon to be an original series on Hulu! "A twisted modern love story" (*Parade*), *Tell Me Lies* is a sexy, thrilling novel about that one person who still haunts you—the other one. The wrong one. The one you couldn't let go of. The one you'll never forget. Lucy Albright is far from her Long Island upbringing when she arrives on the campus of her small California college and happy to be hundreds of miles from her mother—whom she's never forgiven for an act of betrayal in her early teen years. Quickly grasping at her fresh start, Lucy embraces college life and all it has to offer. And then she meets Stephen DeMarco. Charming. Attractive. Complicated. Devastating. Confident and cocksure, Stephen sees something in Lucy that no one else has, and she's quickly seduced by this vision of herself, and the sense of possibility that his attention brings her. Meanwhile, Stephen is determined to forget an incident buried in his past that, if exposed, could ruin him, and his single-minded drive for success extends to winning,

and keeping, Lucy's heart. Lucy knows there's something about Stephen that isn't to be trusted. Stephen knows Lucy can't tear herself away. And their addicting entanglement will have consequences they never could have imagined. Alternating between Lucy's and Stephen's voices, *Tell Me Lies* follows their connection through college and post-college life in New York City. "Readers will be enraptured" (Booklist) by the "unforgettable beauties in this very sexy story" (Kirkus Review). With the psychological insight and biting wit of *Luckiest Girl Alive*, and the yearning ambitions and desires of *Sweetbitter*, this keenly intelligent and supremely resonant novel chronicles the exhilaration and dilemmas of young adulthood and the difficulty of letting go—even when you know you should.

The Judge's List

A Novel *Doubleday*

#1 NEW YORK TIMES BEST SELLER • Investigator Lacy Stoltz follows the trail of a serial killer, and closes in on a shocking suspect—a sitting judge—in "one of the best crime reads of the year.... Bristling with high-tech detail and shivering with suspense.... Worth staying up all night to finish" (Wall Street Journal). In *The Whistler*, Lacy Stoltz investigated a corrupt judge who was taking millions in bribes from a crime syndicate. She put the criminals away, but only after being attacked and nearly killed. Three years later, and approaching forty, she is tired of her work for the Florida Board on Judicial Conduct and ready for a change. Then she meets a mysterious woman who is so frightened she uses a number of aliases. Jeri Crosby's father was

murdered twenty years earlier in a case that remains unsolved and that has grown stone cold. But Jeri has a suspect whom she has become obsessed with and has stalked for two decades. Along the way, she has discovered other victims. Suspensions are easy enough, but proof seems impossible. The man is brilliant, patient, and always one step ahead of law enforcement. He is the most cunning of all serial killers. He knows forensics, police procedure, and most important: he knows the law. He is a judge, in Florida—under Lacy's jurisdiction. He has a list, with the names of his victims and targets, all unsuspecting people unlucky enough to have crossed his path and wronged him in some way. How can Lacy pursue him, without becoming the next name on his list? *The Judge's List* is by any measure John Grisham's most surprising, chilling novel yet.

The Skin You Are In

About the Book *The Skin You Are In* empowers children to embrace who they are and others. The book seeks to motivate and teach children in the following ways: - Diversity and inclusion - Teaching children to accept people regardless of their race, disability, and limitations and to include them in activities. - Self-awareness, acceptance, and confidence - Empowering children to embrace their differences, accept challenges, and give them the confidence to overcome all things. - Mental health awareness - Motivate children to be bold and accept their uniqueness to deter image issues, depression, and isolation.

The Remarkable Life of the Skin

An Intimate Journey Across Our Largest Organ *Atlantic Monthly Press*

This “seriously entertaining book” explores the skin in its multifaceted physical, psychological, and social aspects (Times, UK). Providing a cover for our delicate bodies, the skin is our largest and fastest-growing organ. We see it, touch it, and live in it every day. It is a habitat for a mesmerizingly complex world of micro-organisms and physical functions that are vital to our health and survival. One of the first things people see about us, skin is also crucial to our sense of identity. And yet much about it is largely unknown to us. With rigorous research and lucid prose,

Monty Lyman explores our outer surface through the lenses of science, sociology, and history. He covers topics as diverse as the mechanics and magic of touch (how much goes on in the simple act of taking keys out of a pocket and unlocking a door is astounding), the close connection between the skin and the gut, what happens instantly when one gets a paper cut, and how a midnight snack can lead to sunburn. *The Remarkable Life of the Skin* takes readers on a journey across our most underrated and unexplored organ. It reveals how our skin is far stranger, more wondrous, and more complex than we have ever imagined.
