Marxists, communists, socialists and anarchists argue that liberal democracy under capitalist ideology is constitutively class-based and therefore can never be democratic or participatory. It is referred to as

bourgeois democracy because ultimately politicians fight only for the rights of the bourgeoisie.

Liberal democracy - Wikipedia

Liberal democracy and populism are both ideologies/political approaches committed to the idea of popular sovereignty, which appeal "the people" and support the rights of the individuals over "the elite" or those who are more powerful than the ordinary people. Despite that, both these concepts rely on incompatible conceptualizations of the people and as a consequence, they manifest antagonistic and contradictory understandings of the concept of democracy.

The Virus and Democracy - Open The Magazine

This populist critique of the rule of law has brought home to liberals the reality that the rule of law is, for most, a remote ideal celebrated by elites, rather than a meaningful tool that protects the people's rights and freedoms. Liberal democracy works when a majority of the public believes, more or less, that those professions who operate in parliament and in the courts are doing so for the benefit of the majority.

Japan is one of the few liberal democracies in the world to have successfully resisted immigration in its postwar economy. However, in the last twenty years, immigration in Japan has increased substantially with various side doors for unskilled labor as well as official entry points for skilled labor with options for fast tracked permanent residency.
