If you fail to provide for  
 a trust when the law  
 says you must have  
 one, the Court will set  
 it up for you - possibly  
 entirely against what  
 your wishes might be.  
 This happens most  
 commonly where a will  
 maker (known as the  
 testator) fails to  
 provide a trust for his  
 or her children under  
 18. In this scenario, the  
 Court appoints  
 trustees.

He experienced first-hand how the command & control environment forced his crew to do anything he would say, even when it was wrong. David witnessed that the traditional command & control model (which he prefers to call to leader-follower model ) used by the army and the majority of the companies in the world is outdated and no longer efficient.
