by Ker Dukey!!! This is the 2nd book in the Empathy series. I did read Empathy, and I really suggest you read Empathy first to get the full effect of this dysfunctional, effed-up story :) Empathy was twisted and perfect and I devoured every page!!! But that doesn't mean I wasn't scared s***less to read Desolate.

Empathy eBook: Dukey, Ker: Amazon.co.uk: Kindle Store

Ker Dukey was the author that really gave me a love for dark reads. Her amazing words for Ryan in Empathy will always stay with me. I could never imagine how they were thought up but they were beautifully brilliant. Desolate was the same in my reaction. With that being said, I was left wanting a lot more from Vacant.

Ker Dukey impressed me with the first novel in this series, Empathy, a few months ago. I signed up to review the second book and found myself delighted when the ARC landed in my e-mail. I wanted to

read it ASAP, but ended up purchasing the novel on Amazon as it is now released, because I genuinely want to show the author my support.
