You will become familiar with the conceptual, legal and practical frameworks for mediation, identify the various forms in which mediation is used as a method of dispute resolution both in the UK and internationally, develop basic mediation skills, appreciate the roles of the various attendees and participants in mediation processes, and acquire communication and other skills particularly useful in the mediation context.

International and Commercial Dispute Resolution Law LLM ...

International Commercial Mediation In today's global economy, companies operating internationally may find themselves in a dispute that will be litigated in a foreign country. The dispute could involve anything from breach of contract claims, product liability (including manufacturing and design defects) to claims of fraud (with possible awards of punitive damages).

International Commercial Mediation | Vilendrer Law, PC

In most cases in the current scenario, considering the time and cost of mediation, the dispute resolution clauses will be "med-arb" clauses. These will provide for layers of dispute resolution mechanisms: negotiation, mediation and arbitration, in that order (in fact, this is what you should be recommending to your client).

International commercial arbitration and mediation - iPleaders

By: Donald L Swanson HISTORY: "Prior to World War II, most international commercial disputes were resolved through consensual procedures such as mediation"—mediation was viewed by many as "an inclusive and effective cross-cultural approach to problem solving."

Nothing is Permanent: Mediation of International ...

It would seem that nothing prevents mediation from taking the place of the most popular method of resolving international commercial disputes and therefore becoming a successor of arbitration. However, serious doubts exist whether mediation can serve as an adequate substitute for arbitration, in particular within the scope of international commerce.

Current Issues in International Commercial Mediation ...

Until now, the resolution of international commercial and investment disputes has been dominated almost exclusively by international arbitration. But that is changing. Whilst they may be complementary mechanisms, international mediation and conciliation are now coming to the fore. Mediation rules that were in disuse gather momentum, and dispute settlement centres are introducing new mediation rules.
