national government was separated into three branches: the executive branch, the legislative branch, and the judicial branch. Each branch of government was given specific and unique powers that could not be exercised by the other branches. This

system is known as separation of powers. The idea behind separation of powers is to use the structure of government to

AP US Government and Politics Study Guide
The Constitution of the United States, drafted on September 17, 1787, and ratified on June 21, 1788, is the foundation of the U.S. government and its laws. The Constitution was ratified after a long debate about the structure the government and laws should take. It replaced the weak and problematic Articles of Confederation (1781).
