A Walk in the Woods Anchor Canada

God only knows what possessed Bill Bryson, a reluctant adventurer if ever there was one, to undertake a gruelling hike along the world's longest continuous footpath—The Appalachian Trail. The 2,000-plus-mile trail winds through 14 states, stretching along the east coast of the United States, from Georgia to Maine. It snakes through some of the wildest and most spectacular landscapes in North America, as well as through some of its most poverty-stricken and primitive backwoods areas. With his offbeat sensibility, his eye for the absurd, and his laugh-out-loud sense of humour, Bryson recounts his confrontations with nature at its most uncompromising over his five-month journey. An instant classic, riotously funny, A Walk in the Woods will add a whole new audience to the legions of Bill Bryson fans.

A Walk in the Woods

Rediscovering America on the Appalachian Trail Crown

NEW YORK TIMES BESTSELLER • The classic chronicle of a “terribly misguided and terribly funny” (The Washington Post) hike of the Appalachian Trail, from the author of A Short History of Nearly Everything and The Body “The best way of escaping into nature.”—The New York Times Back in America after twenty years in Britain, Bill Bryson decided to reacquaint himself with his native country by walking the 2,100-mile Appalachian Trail, which stretches from Georgia to Maine. The AT offers an astonishing landscape of silent forests and sparkling lakes—and to a writer with the comic genius of Bill Bryson, it also provides endless opportunities to witness the majestic silliness of his fellow human beings. For a start there’s the gloriously out-of-shape Stephen Katz, a buddy from Iowa along for the walk. But A Walk in the Woods is more than just a laugh-out-loud hike. Bryson’s acute eye is a wise witness to this beautiful but fragile trail, and as he tells its fascinating history, he makes a moving plea for the conservation of America’s last great wilderness. An adventure, a comedy, and a celebration, A Walk in the Woods is a modern classic of travel literature. NOW A MAJOR MOTION PICTURE

A Walk in the Woods Random House

In the company of his friend Stephen Katz (last seen in the bestselling Neither Here nor There), Bill Bryson set off to hike the Appalachian Trail, the longest continuous footpath in the world. Ahead lay almost 2,200 miles of remote mountain wilderness filled with bears, moose, bobcats, rattlesnakes, poisonous plants, disease-bearing ticks, the occasional chuckling murderer and - perhaps most alarming of all - people whose favourite pastime is discussing the relative merits of the external-frame backpack. Facing savage weather, merciless insects, unreliable maps and a fickle companion whose profoundest wish was to go to a motel and watch The X-Files, Bryson gamely struggled through the wilderness to achieve a lifetime's ambition - not to die outdoors.

Stuff You Should Know

An Incomplete Compendium of Mostly Interesting Things *Flatiron Books*

From the duo behind the massively successful and award-winning podcast *Stuff You Should Know* comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast *Stuff You Should Know* back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making *Stuff You Should Know* one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of

being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with *Stuff You Should Know*. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

The Woods *Chronicle Books*

Being afraid of the dark doesn't mean being afraid alone. When a boy can't find his favorite stuffed bunny, he bravely heads into the woods to look for it. Instead, he finds a big, scary brown bear! The Life and Times of the Thunderbolt Kid

A Memoir *Anchor Canada*

From one of the most beloved and bestselling authors in the English language, a vivid, nostalgic and utterly hilarious memoir of growing up in the middle of the United States in the middle of the last century. A book that delivers on the promise that it is "laugh-out-loud funny." Some say that the first hints that Bill Bryson was not of Planet Earth came from his discovery, at the age of six, of a woollen jersey of rare fineness. Across the moth-holed chest was a golden thunderbolt. It may have looked like an old college football sweater, but young Bryson knew better. It was obviously the Sacred Jersey of Zap, and proved that he had been placed with this innocuous family in the middle of America to fly, become invisible, shoot guns out of people's hands from a distance, and wear his underpants over his jeans in the manner of Superman. Bill Bryson's first travel book opened with the immortal line, "I come from Des Moines. Somebody had to." In this hilarious new memoir, he travels back to explore the kid he once was and the weird and wonderful world of 1950s America. He modestly claims that this is a book about not very much: about being small and getting much larger slowly. But for the rest of us, it is a laugh-out-loud book that will speak volumes - especially to anyone who has ever been young.

The Woodland Trust a Walk in the Woods

A Changing Seasons Story *Bloomsbury Children's Books*

Walking in the Woods

Go back to nature with the Japanese way of shinrin-yoku *Hachette UK*

'It is clear that our bodies still recognize nature as our home...' - Yoshifumi Miyazaki 'Forest bathing' or shinrin-yoku is a way of walking in the woods that was developed in Japan in the 1980s. It brings together ancient ways and wisdom with cutting edge environmental health science. Simply put, forest bathing is the practice of walking slowly through the woods, in no hurry, for a morning, an afternoon or a day. It is a practice that involves all the senses and as you gently walk and breathe deeply, the essential oils of the trees are absorbed by your body and have an extraordinary effect on positive feelings, stress hormone levels, parasympathetic nervous activity, sympathetic nervous activity, blood pressure, heart rate and brain activity. In this wonderful book, by the leading expert in the field, science meets nature, as we are encouraged to bathe in the trees and become observers of both the environment around us and the goings on of our own minds.

Spring in the Woods *Taking a Walk*

Join the fun of finding and counting all the animals, flowers, and insects, as more and more appear on a lively walk through the woods during the springtime. Packed with repetition that young children love and that also helps them learn, this is an entertaining introduction to colors, numbers, and the seasons.

The Dovekeepers

A Novel *Simon and Schuster*

An ambitious and mesmerizing novel from the bestselling author of *Rules of Magic*. *The Dovekeepers* is "striking....Hoffman grounds her expansive, intricately woven, and deepest new novel in biblical history, with a devotion and seriousness of purpose" (*Entertainment Weekly*). Nearly two thousand years ago, nine hundred Jews held out for months against armies of Romans on Masada, a mountain in the Judean desert. According to the ancient historian Josephus, two women and five children survived. Based on this tragic and iconic event, Hoffman's novel is a spellbinding tale of four extraordinarily bold, resourceful, and sensuous women, each of whom has come to Masada by a different path. Yael's mother died in childbirth, and her father, an expert assassin, never forgave her for that death. Revka, a village baker's wife, watched the murder of her daughter by Roman soldiers; she brings to Masada her young grandsons, rendered mute by what they have witnessed. Aziza is a warrior's daughter, raised as a boy, a fearless rider and expert marksman who finds passion with a fellow soldier. Shirah, born in Alexandria, is wise in the ways of ancient magic and medicine, a woman with uncanny insight and power. The lives of these four complex and fiercely independent women intersect in the desperate days of the siege. All are dovekeepers, and all are also keeping secrets—about who they are, where they come from, who fathered them, and whom they love.

One Summer

America, 1927 *Anchor*

A Chicago Tribune Noteworthy Book A GoodReads Reader's Choice In *One Summer* Bill Bryson, one of our greatest and most beloved nonfiction writers, transports readers on a journey back to one amazing season in American life. The summer of 1927 began with one of the signature events of the twentieth century: on May 21, 1927, Charles Lindbergh became the first man to cross the Atlantic by plane nonstop, and when he landed in Le Bourget airfield near Paris, he ignited an explosion of worldwide

rapture and instantly became the most famous person on the planet. Meanwhile, the titanically talented Babe Ruth was beginning his assault on the home run record, which would culminate on September 30 with his sixtieth blast, one of the most resonant and durable records in sports history. In between those dates a Queens housewife named Ruth Snyder and her corset-salesman lover garroted her husband, leading to a murder trial that became a huge tabloid sensation. Alvin "Shipwreck" Kelly sat atop a flagpole in Newark, New Jersey, for twelve days—a new record. The American South was clobbered by unprecedented rain and by flooding of the Mississippi basin, a great human disaster, the relief efforts for which were guided by the uncannily able and insufferably pompous Herbert Hoover. Calvin Coolidge interrupted an already leisurely presidency for an even more relaxing three-month vacation in the Black Hills of South Dakota. The gangster Al Capone tightened his grip on the illegal booze business through a gaudy and murderous reign of terror and municipal corruption. The first true "talking picture," Al Jolson's *The Jazz Singer*, was filmed and forever changed the motion picture industry. The four most powerful central bankers on earth met in secret session on a Long Island estate and made a fateful decision that virtually guaranteed a future crash and depression. All this and much, much more transpired in that epochal summer of 1927, and Bill Bryson captures its outsized personalities, exciting events, and occasional just plain weirdness with his trademark vividness, eye for telling detail, and delicious humor. In that year America stepped out onto the world stage as the main event, and *One Summer* transforms it all into narrative nonfiction of the highest order.

Hiking the Appalachian Trail

Clarke Family History of hiking the Appalachian Trail from 1986-1995

Shakespeare

The World as Stage *HarperCollins*

Bill Bryson's bestselling biography of William Shakespeare takes the reader on an enthralling tour through Elizabethan England and the eccentricities of Shakespearean scholarship—updated with a new introduction by the author to commemorate the 400th anniversary of Shakespeare's death William Shakespeare, the most celebrated poet in the English language, left behind nearly a million words of text, but his biography has long been a thicket of wild supposition arranged around scant facts. With a steady hand and his trademark wit, Bill Bryson sorts through this colorful muddle to reveal the man himself. His Shakespeare is like no one else's—the beneficiary of Bryson's genial nature, his engaging skepticism, and a gift for storytelling unrivaled in our time.

Awol on the Appalachian Trail *Wingspan Press*

A 41-year-old engineer quits his job to hike the Appalachian Trail. This is a true account of his hike from Georgia to Maine, bringing to the reader the life of the towns and the people he meets along the way.

Where's the Next Shelter?

Where's the Next Shelter? is the true story of three travelers on the Appalachian Trail, told from the perspective of Gary Sizer, a seasoned backpacker and former Marine who quickly finds himself humbled by the endeavor. Sprawling through the woods and towns of the Appalachian mountains, the trail carries the trio through real and fanciful ups and downs ranging from hilarious to perilous. Much more than an orderly account of mountain tops and meals, it is an adventure about friends figuring things out as they go. It's about screw-ups and solutions, awe and inspiration. If you long for the horizon, or to sleep under the stars, then come along for the hike of a lifetime. All you have to do is take the first step.

Holy Cow

An Indian Adventure *Crown*

In her twenties, journalist Sarah Macdonald backpacked around India and came away with a lasting impression of heat, pollution and poverty. So when an airport beggar read her palm and told her she would return to India—and for love—she screamed, “Never!” and gave the country, and him, the finger. But eleven years later, the prophecy comes true. When the love of Sarah’s life is posted to India, she quits her dream job to move to the most polluted city on earth, New Delhi. For Sarah this seems like the ultimate sacrifice for love, and it almost kills her, literally. Just settled, she falls dangerously ill with double pneumonia, an experience that compels her to face some serious questions about her own fragile mortality and inner spiritual void. “I must find peace in the only place possible in India,” she concludes. “Within.” Thus begins her journey of discovery through India in search of the meaning of life and death. Holy Cow is Macdonald’s often hilarious chronicle of her adventures in a land of chaos and contradiction, of encounters with Hinduism, Islam and Jainism, Sufis, Sikhs, Parsis and Christians and a kaleidoscope of yogis, swamis and Bollywood stars. From spiritual retreats and crumbling nirvanas to war zones and New Delhi nightclubs, it is a journey that only a woman on a mission to save her soul, her love life—and her sanity—can survive.

The Appalachian Trail

A Biography *Mariner Books*

The Appalachian Trail is America's most beloved trek, with millions of hikers setting foot on it every year. Yet few are aware of the fascinating backstory of the dreamers and builders who helped bring it to life over the past century. The conception and building of the Appalachian Trail is a story of unforgettable characters who explored it, defined it, and captured national attention by hiking it. From Grandma Gatewood—a mother of eleven who thru-hiked in canvas sneakers and a drawstring

duffle—to Bill Bryson, author of the best-selling *A Walk in the Woods*, the AT has seized the American imagination like no other hiking path. The 2,000-mile-long hike from Georgia to Maine is not just a trail through the woods, but a set of ideas about nature etched in the forest floor. This character-driven biography of the trail is a must-read not just for ambitious hikers, but for anyone who wonders about our relationship with the great outdoors and dreams of getting away from urban life for a pilgrimage in the wild.

One Thousand Gifts

A Dare to Live Fully Right Where You Are *Thomas Nelson*

MORE THAN ONE MILLION COPIES SOLD New York Times bestselling author Ann Voskamp invites you to embrace everyday blessings and embark on the transformative spiritual discipline of chronicling God's gifts. Just like you, Ann Voskamp hungers to live her one life well. Forget the bucket lists that have us escaping our everyday lives for exotic experiences. "How," Ann wondered, "do we find joy in the midst of deadlines, debt, drama, and daily duties? What does the Christ-life really look like when your days are gritty, long - and sometimes even dark? How is God even here?" In *One Thousand Gifts*, Ann invites you to discover a way of seeing that opens your eyes to ordinary amazing grace, a way of living that is fully alive, and a way of becoming present to God that brings you deep and lasting joy. It's only in the expression of gratitude for the life we already have, we discover the life we've always wanted . . . a life we can take, give thanks for, and break for others. We come to feel and know the impossible right down in our bones: we are wildly loved - by God. Let Ann's beautiful, heart-aching stories of the everyday give you a way of seeing that opens your eyes to ordinary amazing grace, a way of being present to God that makes you deeply happy, and a way of living that is finally fully alive. Come live the best dare of all! For extended study into the *One Thousand Gifts* message, Ann has also created the *One Thousand Gifts* video study and study guide, a *One Thousand Gifts* devotional, and a special gift edition. This title is also available in Spanish, *Millar de Obsequios*.
