Visual Complex Analysis: Needham, Tristan: 9780198534464 ...

A visual introduction to one of the most beautiful parts of mathematics: complex analysis. Written before the glory days of computer graphics, which mean the author had to come up with meaningful diagrams and schematics.

Visual Complex Analysis by Tristan Needham

Complex Analysis has successfully maintained its place as the standard elementary text on functions of one complex variable. There is, never theless, need for a new edition, partly because of changes in current mathe matical terminology, partly because of differences in student preparedness and aims.
