Abstract. Contemporary philosophical discussion of religion neglects dualistic religions: although Manichaeism from time to time is accorded mention, Zoroastrianism, a more plausible form of religious dualism, is almost entirely ignored. We seek to change this state of affairs. To this end we (1) present the basic tenets of Zoroastrian dualism, (2) argue that objections to the Zoroastrian conception of God are less strong than typically imagined, (3) argue that objections to the Zoroastrian ...
