signals.

The Universal Expression of Our Emotions - Verywell Mind

The behavioral expression of emotion also includes conscious and unconscious gestures, postures and mannerisms, and overt behaviour that can be either spontaneous or deliberate. One might hesitate to call deliberate behaviour an “expression” because of the intervening conscious activity it involves. One might speak instead of such behaviour as being “out of” the emotion (as in, “he acted out of anger”).

One view of emotional expression in art is that it is preceded by a perturbation or excitement from a vague cause about which the artist is uncertain and therefore anxious. The artist then proceeds to express feelings and ideas

in words or paint or stone or the like, clarifying them and achieving a release
of tension.
