Retaining New Teachers: How do I support and develop ...

The preparation of prospective teachers is one of the most contentious issues in education policy. Often, the debate centers on the relative value of teachers' subject-matter knowledge (knowing what to teach) and their pedagogical skill (knowing how to teach). The amount of preparation that a new teacher has received in each of these areas depends, to a certain extent, on the path that he or ...

Based on the funding model used in California's Beginning Teacher Support and Assessment

Program, a federal allocation of \$4000 for each beginning teacher, matched by states or local districts, would fund a mentor for every 10-15 beginning teachers. At 125,000 new teachers each year,[14] an investment of \$500 million could ensure that each novice is coached by a trained, accomplished mentor with expertise in the relevant teaching field.
