Civil Society Challenging Western Models

Civil Society argues that civil society should not be studied as a separate, 'private' realm clearly separated in opposition to the state; nor should it be confined to the institutions of the 'voluntary' or 'non-governmental' sector. A broader understanding of civil society involves the investigation of everyday social practices, often elusive power relations and the shared moralities that ...

Civil Society | Challenging Western Models

Between kinship ties on the one hand and the state on the other, human beings experience a diversity of social relationships and groupings which in modern western thought have come to be gathered under the label 'civil society'. A liberal-individualist model of civil society has become fashionable in recent years, but what can such a term mean in the late twentieth century? Civil Society ...
