I'm not exactly an expert on Triumph cranks, but since no one else is chiming in, here goes. One piece cranks were introduced in the late 50's. Most were for the generator equipped bikes so you're not likely to want to use them. in any case, they were 50% balance factor and you can identify them by the straight sided pork chops. In about '61, the balance factor went up and they included pear ...
