Shadow in the Woods and Other Scary Stories: An Acorn Book (Mister Shivers #2) Scholastic Inc.

Dive into these spooky stories from New

York Times bestselling author Max Brallier, perfect for beginning readers!

In the House in the Dark of the Woods *Little, Brown*

The eerie, disturbing story of one of our perennial fascinations--witchcraft in colonial America--wrapped up in a lyrical novel of psychological suspense. "Once upon a time there was and there wasn't a woman who went to the woods." In this horror story set in colonial New England, a law-abiding Puritan woman goes missing. Or perhaps she has fled or abandoned her family. Or perhaps she's been kidnapped, and set loose to wander in the dense woods of the north. Alone and possibly lost, she meets another woman in the forest. Then everything changes. On a journey that will take her

through dark woods full of almost-human wolves, through a deep well wet with the screams of men, and on a living ship made of human bones, our heroine may find that the evil she flees has been inside her all along. In the *House in the Dark of the Woods* is a novel of psychological horror and suspense told in Laird Hunt's characteristically lyrical prose style. It is the story of a bewitching, a betrayal, a master huntress and her quarry. It is a story of anger, of evil, of hatred and of redemption. It is the story of a haunting, a story that makes up the bedrock of American mythology, but told in a vivid way you will never forget.

Where the Woods End *Penguin*

In a forest filled with treacherous beasts,

the thing to be most afraid of is closer than you think in this middle grade horror fantasy. Kestrel, a young huntress, lives in a seemingly endless forest crawling with dangerous beasts. But the most dangerous beasts of all are the Grabbers--beings that are born when you are and stalk you throughout your life, waiting for the perfect moment to snatch and eat you. No one has ever defeated their Grabber once attacked, and those that die from accidents or other creatures are considered "lucky." Kestrel has been tasked by her mother, a powerful and controlling spell-caster, to hunt down the Grabbers in an effort to protect their village in the forest. Accompanied by Pippit, a hilariously bloodthirsty weasel, she hones her skills as she searches for a way out of the

forest--and away from the judgmental villagers who despise her. But her own Grabber is creeping ever closer, and nothing in this forest is what it seems...including her mother's true motivations.

The Thing in the Woods

Seventeen-year-old James Daly thought

moving from Atlanta to small-town Edington senior year would kill him, but he didn't mean it literally. But his father bought a bigger house to go with a promotion at his law firm, only to lose his job when the housing bubble popped. Now James has to work at the Edington Best Buy to help pay the mortgage they're underwater on. He can't wait until he turns eighteen and can leave Edington behind forever. But when a local boy challenges him to an ATV race near a tree farm most people avoid, things get much worse. James' rival is slaughtered by a tentacled horror emerging from a nearby pond. The monstrosity has been worshiped by a secretive coven since before the Civil War, and its devotees don't take kindly to their secrets being threatened. Now

with the aid of Amber Webb, a local girl he doesn't like liking, and a renegade cult member, James must fight to avoid ending up bound to a picnic table and offered up to a monster. He must do battle with both the local cultists and their predatory master, THE THING IN THE WOODS.★★★★★ Quinn writes effectively and convincingly in recreating a new take on H.P. Lovecraft and the genre. I am not much of a fan of horror, but this work kept the right mix of tempo, detail, suspense, interesting characters, and plot development to keep me engaged. The creepiest horror stories are the ones that take place in setting just like where you live... - John Allred★★★★★ This is Not Mayberry - This tale of a Lovecraftian cult in the backwoods of a rural Georgia town is

both suspenseful and frightening. The creature being worshiped by the cult is an ancient, multi-tentacled monster that lives in a lake in the middle of an isolated tree farm. When high school student James Daly stumbles upon the cult and watches the monster devour a rival classmate, things go downhill fast. Matthew W. Quinn blends together small-town politics, Civil War legends, and more profanity than Lovecraft himself would be comfortable with. This is not Mayberry. Highly recommended for fans of eldritch horror in a realistic, modern-day setting. - Darrell Grizzle★★★★★ Good Read - A fast-paced horror novel with a likeable hero, a monster with a backstory, and a hidden commentary on social issues in southern small towns. - Alex S.

Tormented

Fast-paced, in your face horror novel that supplies buckets full of blood and gore. A man fights for his life in an asylum that is slowly being taken over by monsters from hell.

After Lennox is killed trying to return to his beloved wood, his widow seems to see and hear him in the trees-or is it a dark version of the Green

Man that caresses her with leafy hands? Lennox's grandson heeds a call to lie in his lover's arms in the very heart of the forest-and cannot help but wonder what the fruit of that love will be. And Heather, Lennox's daughter, who turned her back on her father's mysteries and sought sanctuary in the world of facts and history? Goodmanswood summons her as well . . . In the Night Wood *John Joseph Adams*

In this contemporary fantasy, the grieving biographer of a Victorian fantasist finds himself slipping inexorably into the supernatural world that consumed his subject. Failed father, failed husband, and failed scholar, Charles Hayden hopes to put his life back together with a new project: a biography of Caedmon Hollow, the long-dead author of a legendary Victorian children's book, *In the Night Wood*, and

forebear of his wife, Erin. Deep in mourning from the loss of their young daughter, they pack up their American lives, Erin gives up her legal practice, and the couple settles in Hollow's remote Yorkshire mansion. In the neighboring village, Charles meets a woman he might have loved, a child who could have been his own daughter, and the ghost of a self he hoped to bury. Erin, paralyzed by her grief, immerses herself in pills and painting images of a horned terror in the woods. In the primeval forest surrounding Caedmon Hollow's ancestral home, an ancient power is stirring, a long-forgotten king who haunts the Haydens' dreams. And every morning the fringe of darkling trees presses closer. Soon enough, Charles and Erin will venture into the night wood.

Soon enough, they'll learn that the darkness under the trees is but a shadow of the darkness that waits inside us all.

Entropy in Bloom

Stories Start Publishing LLC

For more than a decade, Jeremy Robert Johnson has been bubbling under the surface of both literary and genre fiction. His short stories present a brilliantly dark and audaciously weird realm where cosmic nightmares collide with all-too-human characters and apocalypses of all shapes and sizes loom ominously. In "Persistence Hunting," a lonely distance runner is seduced into a brutal life of crime with an ever-narrowing path for escape. In "When Susurrus Stirs," an

unlucky pacifist must stop a horrifying parasite from turning his body into a sentient hive. Running through all of Johnson's work is a hallucinatory vision and deeply-felt empathy, earning the author a reputation as one of today's most daring and thrilling writers. Featuring the best of his independently-published short fiction, as well as an exclusive, never-before-published novella "The Sleep of Judges"--where a father's fight against the denizens of a drug den becomes a mind-bending suburban nightmare--*Entropy in Bloom* is a perfect compendium for avid fans and an ideal entry point for adventurous readers seeking the humor, heartbreak, and terror of JRJ's strange new worlds.

After solving the case of Truly Devious, Stevie Bell investigates her first mystery outside of Ellingham Academy in this spine-chilling and hilarious stand-alone mystery from New York Times bestselling author Maureen Johnson. Amateur sleuth Stevie Bell needs a good murder. After catching a killer at her high school, she's back at home for a normal (that means boring) summer. Back in 1978, four camp counselors were killed in the woods outside of the town of Barlow Corners, their bodies left in a gruesome display. The new owner offers Stevie an invitation: Come to the camp and help

him work on a true crime podcast about the case. Stevie agrees, as long as she can bring along her friends from Ellingham Academy. Nothing sounds better than a summer spent together, investigating old murders. But something evil still lurks in Barlow Corners. When Stevie opens the lid on this long-dormant case, she gets much more than she bargained for. *The Box in the Woods* will make room for more victims.
