If Beale Street Could Talk *University of Illinois Press*

Demonstrating the intimate connections among our public, political, and personal lives, these essays by Robert Cantwell explore the vernacular culture of everyday life. A keen and innovative observer of American culture, Cantwell casts a broad and penetrating intelligence over the cultural functioning of popular texts, artifacts, and performers,

examining how cultural practices become performances and how performances become artifacts endowed with new meaning through the transformative acts of imagination. Cantwell's points of departure range from the visual and the literary--a photograph of Woody Guthrie, or a poem by John Keats--to major cultural exhibitions such as the World's Columbian Exposition. In all these domains, he unravels the implications for community and cultural life of a continual migration, transformation, and reformulation of cultural content.

Tell Me How Long the Train's Been Gone *Vintage*

A major work of American literature that powerfully portrays the anguish of being Black in a society that at times seems poised on the brink of total racial war. At the height of his theatrical career, the actor Leo Proudhammer is nearly felled by a heart attack. As he hovers between life and death, Baldwin shows the choices that have made him enviably famous and terrifyingly vulnerable. For between Leo's childhood on the streets of Harlem and his arrival into the

intoxicating world of the theater lies a wilderness of desire and loss, shame and rage. An adored older brother vanishes into prison. There are love affairs with a white woman and a younger black man, each of whom will make irresistible claims on Leo's loyalty. *Tell Me How Long the Train's Been Gone* is overpowering in its vitality and extravagant in the intensity of its feeling.

The Fire Next Time

First published in 1963, James Baldwin's *A Fire Next Time* stabbed at the heart of America's so-called "Negro problem". As remarkable for its masterful prose as it is for its uncompromising account of black experience in the

United States, it is considered to this day one of the most articulate and influential expressions of 1960s race relations. The book consists of two essays, "My Dungeon Shook" — Letter to my Nephew on the One Hundredth Anniversary of Emancipation, and "Down At The Cross" — Letter from a Region of My Mind. It weaves thematic threads of love, faith, and family into a candid assault on the hypocrisy of the so-called "land of the free", insisting on the inequality implicit to American society. "You were born where you were born and faced the future that you faced", Baldwin writes to his nephew,

“because you were black and for no other reason.” His profound sense of injustice is matched by a robust belief in “monumental dignity”; in patience, empathy, and the possibility of transforming America into “what America must become.”

If Beale Street Could Talk

Black Women in the Fiction of James Baldwin *Univ. of Tennessee Press*

In James Baldwin's fiction, according to Trudier Harris, black women are conceptually limited figures until their author ceases to measure them by standards of the community

fundamentalist church. Harris analyzes works written over a thirty-year period to show how Baldwin's development of female character progresses through time. Black women in the early fiction, responding to their elders as well as to religious influences, see their lives in terms of duty as wives, mothers, sisters, and lovers. Failure in any of these roles leads to guilt feelings and the expectation of damnation. In later works, Baldwin adopts a new point of view, acknowledging complex extenuating circumstances in lieu of pronouncing moral judgement. Female characters in works written at this stage eventually come to believe that the church affords no comfort.

Baldwin subsequently makes villains of some female churchgoers, and caring women who do not attend church become his most attractive characters. Still later in Baldwin's career, a woman who frees herself of guilt by moving completely beyond the church attains greater contentment than almost all of her counterparts in the earlier works.

James Baldwin's final novel is "the work of a born storyteller at the height of his powers" (The New York Times Book Review). "Not everything is lost. Responsibility cannot be lost, it can only be abdicated. If one

refuses abdication, one begins again." The stark grief of a brother mourning a brother opens this stunning, unforgettable novel. Here, in a monumental saga of love and rage, James Baldwin goes back to Harlem, to the church of his groundbreaking novel *Go Tell It on the Mountain*, to the forbidden passion of Giovanni's Room, and to the political fire that enflames his nonfiction work. Here, too, the story of gospel singer Arthur Hall and his family becomes both a journey into another country of the soul and senses—and a living contemporary history of black struggle in this land.

for the first time, the FBI's secret dossier on the legendary and controversial writer. Decades before Black Lives Matter returned James Baldwin to prominence, J. Edgar Hoover's FBI considered the Harlem-born author the most powerful broker between black art and black power. Baldwin's 1,884-page FBI file, covering the period from 1958 to 1974, was the largest compiled on any African American artist of the Civil Rights era. This collection of once-secret documents, never before published in book form, captures the FBI's anxious tracking of Baldwin's writings, phone conversations, and sexual habits—and Baldwin's defiant efforts to spy back at

Everything Is Cinema *Metropolitan*

Books

A landmark biography explores the crucial resonances among the life, work, and times of one of the most influential filmmakers of our age. When Jean-Luc Godard wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Unlike any earlier films, Godard's work shifts fluidly from fiction to documentary, from criticism to art. The man himself also projects shifting images—cultural hero, fierce loner, shrewd businessman. Hailed by filmmakers as a—if not the—key influence on cinema, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In *Everything Is Cinema*,

critic Richard Brody has amassed hundreds of interviews to demystify the elusive director and his work. Paying as much attention to Godard's technical inventions as to the political forces of the postwar world, Brody traces an arc from the director's early critical writing, through his popular success with *Breathless*, to the grand vision of his later years. He vividly depicts Godard's wealthy conservative family, his fluid politics, and his tumultuous dealings with women and fellow New Wave filmmakers. *Everything Is Cinema* confirms Godard's greatness and shows decisively that his films have left their mark on screens everywhere.

**Beale Street
Dynasty: Sex, Song,
and the Struggle for
the Soul of Memphis**

*W. W. Norton &
Company*

The vivid history of Beale Street—a lost world of swaggering musicians, glamorous madams, and ruthless politicians—and the battle for the soul of Memphis. Following the Civil War, Beale Street in Memphis, Tennessee, thrived as a cauldron of sex and song, violence and passion. But out of this turmoil emerged a center of black progress, optimism, and cultural ferment. Preston Lauterbach tells this vivid, fascinating story through the multigenerational saga of a family whose ambition, race pride, and moral complexity

indelibly shaped the city that would loom so large in American life. Robert Church, who would become “the South’s first black millionaire,” was a mulatto slave owned by his white father. Having survived a deadly race riot in 1866, Church constructed an empire of vice in the booming river town. He made a fortune with saloons, gambling, and—shockingly—white prostitution. But he also nurtured the militant journalism of Ida B. Wells and helped revolutionize American music through the work of composer W.C. Handy, the man who claimed to have invented the blues. In the face of Jim Crow, the Church fortune helped fashion the most powerful black

political organization of the early twentieth century. Robert and his son, Bob Jr., bought and sold property, founded a bank, and created a park and auditorium for their people finer than the places whites had forbidden them to attend. However, the Church family operated through a tense arrangement with the Democrat machine run by the notorious E. H. "Boss" Crump, who stole elections and controlled city hall. The battle between this black dynasty and the white political machine would define the future of Memphis. Brilliantly researched and swiftly plotted, *Beale Street Dynasty* offers a captivating account of one of America's iconic cities—by one of our most talented narrative

historians.

One Day When I Was Lost *Vintage*

A rare, lucidly composed screenplay from one of America's greatest writers, based on the bestselling classic *The Autobiography of Malcolm X*. The Times Literary Supplement

praises "the depth and sincerity of Baldwin's admiration for Malcolm X." Son of a Baptist minister; New York City hustler; honor student; convicted criminal; powerful minister in the Nation of Islam; father and husband: Malcolm X transformed himself, time and again, in order to become one of the most feared, loved, and undeniably charismatic leaders of twentieth-century America. No one better represents the tumultuous times of his generation, and there is no one better to capture him and his milieu than James Baldwin. With spare, elegant, yet forceful dialogue and fresh, precise camera directions, Baldwin breathes cinematic life into this controversial

and important figure, offering a new look at a man who changed himself in order to change the country.

Another Country *Vintage*

Set in Greenwich Village, Harlem, and France, among other locales, *Another Country* is a novel of passions—sexual, racial, political, artistic. Stunning for its emotional intensity and haunting sensuality, this "brilliantly and fiercely told" book (*The New York Times*) depicts men and women, blacks and whites, stripped of their masks of gender and race by love and hatred at the most elemental and sublime. Nominated as one of America's best-loved novels by PBS's *The Great American Read*

Ann Petry: *The Street, The Narrows* (LOA #314) *Library of America*

In one volume, two landmark novels about the terrible power of race in America from one of the foremost African American writers of the past

century. Ann Petry is increasingly recognized as one of the essential American novelists of the twentieth century. Now, she joins the Library of America series with this deluxe hardcover volume gathering her two greatest works. Published in 1946 to widespread critical and popular acclaim--it was the first novel by an African-American woman to sell over a million copies--*The Street* follows Lutie Johnson, a young, newly single mother, as she struggles to make a better life for her son, Bub. An intimate account of the aspirations and challenges of black, female, working-class life, much of it set on a single block in Harlem, the novel exposes structural inequalities

in American society while telling a complex human story, as overpriced housing, lack of opportunity, sexual harassment, and racism conspire to limit Lutie's potential and to break her buoyant spirit. Less widely read than her blockbuster debut and still underappreciated, *The Narrows* (1953) is Petry's most ambitious and accomplished novel--a multi-layered, stylistically innovative exploration of themes of race, class, sexuality, gender, and power in postwar America. Centered around an adulterous interracial affair in a small Connecticut town between the young black scholar-athlete Link Williams and white, privileged munitions heiress Camilo Sheffield, it is also a fond, incisive community portrait, full of unforgettable minor characters, unexpected humor, and a rich sense of history. Also included in the volume are three of Petry's previously uncollected essays related to the novels and a newly researched chronology of the author's life, prepared with the assistance of her daughter Elisabeth Petry. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions

that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

I Am Not Your Negro
Vintage

NATIONAL BESTSELLER

• In his final years, Baldwin envisioned a book about his three assassinated friends, Medgar Evers, Malcolm X, and Martin Luther King. His deeply personal notes for the project had never been published before acclaimed filmmaker Raoul Peck mined Baldwin's oeuvre to compose his stunning documentary film *I Am Not Your Negro*. Peck weaves these texts together, brilliantly imagining the book

that Baldwin never wrote with selected published and unpublished passages, essays, letters, notes, and interviews that are every bit as incisive and pertinent now as they have ever been. Peck's film uses them to jump through time, juxtaposing Baldwin's private words with his public statements, in a blazing examination of the tragic history of race in America. This edition contains more than 40 black-and-white images from the film, which was nominated for the Academy Award for Best Documentary.

Beale Black and Blue
LSU Press

W. C. Handy, Furry Lewis, Booker White, Lillie May Glover, Roosevelt Sykes, Arthur Crudup, B. B. King, Bobby Blue Bland, Muddy Waters -- these and other musicians, singers, and songwriters, including the young Elvis Presley, eventually went to Beale Street in Memphis, Tennessee, to learn, improve, and practice their art. "To Handy and untold other blacks, Beale became as much a symbol of escape from black despair as Harriet Tubman's underground railroad," says Margaret McKee and Fred Chisenhall. They present Beale as

a living microcosm of determination, survival, and change -- from its early days as a raucous haven for gamblers and grafters and as a black show business center to its present-day languishing. Choosing the former newspaper columnist, disc jockey, and schoolteacher Nat. D. Williams, as their main authority for the first part of this volume -- the street's history -- the authors have selected an individual with wisdom, perspective, and a distinctive voice that speaks from a lifetime of experience on Beale. His radio show on WDIA, "Tan Town Jamboree," was heard by thirteen-year-old Elvis Presley. Nat D. said, "We had a boast that if you made it on Beale Street, you can

make it anywhere. And Elvis Presley made it on Beale first." Another Beale Streeter recalls, "He got that shaking, that wiggle, from Charlie Burse -- Ukulele Ike we called him -- right there at the Gray Mule on Beale." The street's history is richly complemented by the rare, extensive interviews that constitute the second half of the volume. "We undertook our research," the authors tell us, "not as a study of the blues but of the blues musicians themselves. They were a dying breed, these wandering minstrels who had become the principal storytellers of their people." Most of the musicians interviewed grew up in the rural southern areas where the authors found them,

sometimes not far from their early homes. They tell of the music that took them to Memphis' street of the living blues. All show a resilience to despair, despite life's harsh times. Arthur "Big Boy" Crudup, who never received his accumulated royalties, shrugs, "I come here with nothing and I ain't going away with nothing, and it's no need worrying my life with it." In the life of Beale Street and in the conversations of its musicians, we experience with penetrating awareness a delicate balance of humor, courage, and pain.

Another Country

Classic fiction. This masterly story of desire, hatred and violence opens with

the unforgettable character of Rufus Scott, a scavenging Harlem jazz musician adrift in New York. Self-destructive, bad and brilliant, he draws us into a Bohemian underworld pulsing with heat, music and sex, where desperate and dangerous characters betray, love and test each other to the limit.

Jimmy's Blues and Other Poems *Beacon Press*

All of the published poetry of James Baldwin, including six significant poems previously only available in a limited edition. During his lifetime (1924-1987), James Baldwin authored seven novels, as well as several plays and essay collections, which were published

to wide-spread praise. These books, among them *Notes of a Native Son*, *The Fire Next Time*, *Giovanni's Room*, and *Go Tell It on the Mountain*, brought him well-deserved acclaim as a public intellectual and admiration as a writer. However, Baldwin's earliest writing was in poetic form, and Baldwin considered himself a poet throughout his lifetime. Nonetheless, his single book of poetry, *Jimmy's Blues*, never achieved the popularity of his novels and nonfiction, and is the one and only book to fall out of print. This new collection presents James Baldwin the poet, including all nineteen poems from *Jimmy's Blues*, as well as all the poems from a limited-edition volume called

Gypsy, of which only 325 copies were ever printed and which was in production at the time of his death. Known for his relentless honesty and startlingly prophetic insights on issues of race, gender, class, and poverty, Baldwin is just as enlightening and bold in his poetry as in his famous novels and essays. The poems range from the extended dramatic narratives of "Staggerlee wonders" and "Gypsy" to the lyrical beauty of "Some days," which has been set to music and interpreted by such acclaimed artists as Audra McDonald. Nikky Finney's introductory essay reveals the importance, relevance, and rich rewards of these little-known works. Baldwin's many

devotees will find much to celebrate in these pages.

The Evidence of Things Not Seen *Holt Paperbacks*

The Evidence of Things Not Seen, award-winning author James Baldwin's searing 1985 indictment of the nation's racial stagnation, is contextualized anew by an introduction from New York Times bestselling author and political leader Stacey Abrams. In this essential work, James Baldwin examines the Atlanta child murders that took place over twenty-two months in 1979 and 1980. Examining this incident with a reporter's skill and an essayist's insight, he notes the significance of Atlanta as the site of these

brutal killings—a city that claimed to be “too busy to hate”—and the permeation of race throughout the case: the Black administration in Atlanta; the murdered Black children; and Wayne Williams, the Black man tried for the crimes. In Baldwin’s hands, this specific set of events has transcended its era and remains as relevant today as ever. Rummaging through the ruins of American race relations, Baldwin addresses all the hard-to-face issues that have brought us to a moment in history when we are forced to reckon with some of the country’s most ingrained, foundational issues and when, too often, public officials fail to ask real questions about “justice for all.” In this, his last book, Baldwin also reveals his optimistic faith in America’s ability to move toward repair: “This is the only nation in the world that can hope to liberate—to begin to liberate—mankind from the strangling idea of the national identity and the tyranny of the territorial dispute. I know this sounds remote, now, and that I will not live to see anything resembling this hope come to pass. Yet, I know that I have seen it—in fire and blood and anguish, true, but I have seen it. I speak with the authority of the issue of the slave born in the country once believed to be: the last best hope of earth.”
