Globetrotting Or Global Citizenship Perils

Globetrotting or Global Citizenship? is a valuable guide for students considering going abroad for experiential learning and a useful resource for those returning from such programs, as well as instructors and administrators facilitating pre-departure and return orientation sessions. Anyone taking part in international volunteering will find the reflections and analysis provided here an excellent starting point for understanding the potential impact of their time abroad.

Globetrotting or Global Citizenship? Perils and Potential ...

“Given the extraordinary interest in international experiential learning that exists among students both in high school and in post-secondary institutions, Globetrotting or Global Citizenship? is a timely volume of readings. The collection confronts the ethics of engaging with the explosion of opportunities for international travel and serves as a reminder that the maxim ‘to do no harm’ should be at the forefront of students’ and educators’ minds alike.”
