The Truth Behind Your Crappy Sun Sign This is a book for anyone who is irritated by the disconnect between the perky promises and mindlessly cheerfully affirmations that apply to a specific sun sign and the crappy week that ensues. It is the ultimate corrective to the plethora of happy sappy horoscope books and

inane astrology columns that appear in daily newspapers around the world. When it comes to love, do you think that watery Pisces are naturally romantic lovers? Think again—if you're unfortunate enough to have a relationship with a Plagued Pisces or a Contemptible Cancer, you're in trouble. Reference the relationship sections to rate your compatibility with other star signs, or at least highlight where the cracks are going to show. With special sections detailing the unlucky personalities with whom you share your birthday, as well

as unfortunate events that might have happened on your birthday, *Bad Birthdays* contains all you'll never need to know about your sign. So whether you're a Cursed Capricorn, a Tragic Taurus, or a Lousy Libra, we're all doomed to a destiny that is far less peachy than everyday astrologers would have us believe.

Moon Signs

The Key to Your Inner Life *Ballantine Books*

If you think your astrological fate is sealed by your Sun sign, think again! Your emotions, instincts, intuition, and most private passions are dominated by your Moon sign. In this eye-opening volume, world-famous astrologer and

therapist Donna Cunningham unravels the often bewildering effects of lunar influence: a person's potential for intimacy, sense of security, family ties, susceptibility to indulgence in food or drink, career ambition, as well as how men and women respond differently to the same lunar promptings in love and life. Cunningham provides all the information you need to determine your own and others' Moon signs—and analyze their power. *Moon Signs* also charts the daily, monthly, and yearly courses of the moon, which create those predictable mood swings—our “emotional weather.” The time-honored tradition of astrology has come into its own as a resource for human development and spiritual insight. For astrological novices and veterans alike,

Cunningham's invaluable guide will pave the way to a more profound understanding of the uncharted and sometimes dark side of the soul.

This classic astrology text, revered by beginners and professional astrologers alike, is now available in a Weiser Classics edition. “The most important single contribution of twentieth-century astrology is that astrology is not a map of one’s fixed destiny but is a potential map of the unfolding of the authentic, higher self.” —Robert Hand, from the foreword Saturn’s darker persona is recognized universally in myth and fairytale. In this classic astrology text, renowned astrologer and Jungian analyst Liz Greene offers a fresh perspective on how to handle the influence of this much-maligned astrological symbol. In

Saturn, Greene shows us how the frustrating experiences connected to this planet can be turned into opportunities for greater insight and meaning in our lives. Saturn, she says, symbolizes a psychic process—one that allows us to utilize the experience of pain for self-discovery and a more fulfilling and complete life. Greene retraces Saturn’s character through sign, house, aspect, and synastry in a brilliant analysis that reveals his other face: that of the initiator who, for the price of our honesty with ourselves, offers us greater consciousness, self-understanding, and, eventually, freedom.
