Lippincott's Textbook for Nursing Assistants *Lippincott Williams & Wilkins*

This textbook for nursing assistants will prepare students not only to function in the traditional nursing assistant role in nursing homes, hospitals, and home health, but also will prepare students to advance their careers. A nursing assistant student who uses this text will have a firm foundation by which to transition to an LPN and ultimately an RN

role. The text offers a compelling art program, a direct, conversational writing style, and an emphasis on professionalism and humanism. A back-of-book CD-ROM includes an audio glossary.

Mosby's Textbook for the Home Care Aide *Elsevier Health Sciences*

Covering the essential content and procedures a home care aide needs to know, Mosby's Textbook for the Home Care Aide, 3rd Edition prepares you for success in this rapidly growing field. A clear approach makes the book easy to use and understand, featuring hundreds of full-color photographs and drawings along with step-by-step procedures for skills performed by home care aides. Updated and expanded in this edition are chapters on meeting the client's nutritional needs and on getting and keeping a job. Written by home care experts Joan Birchenall and Eileen Streight, this textbook prepares you for the many types of situations you may encounter as a home care aide. Hundreds of full-color photos and drawings depict key ideas and clearly demonstrate procedure steps. Procedures provide step-by-step, easy-to-understand instructions on performing important skills and tasks. UNIQUE! A cast of caregivers, including a supervisor and four home care aides, are highlighted in scenarios that provide realistic examples of the types of situations you are likely to encounter in the home care environment. Guidelines for Observing, Recording, and Reporting (ORR) are highlighted throughout the text, emphasizing the home care aide's responsibilities for observing and documenting the client's condition and care. Key considerations and reminders are presented in color font to emphasize

the importance of performing these actions. Objectives and Key Terms in each chapter focus your attention on essential information. Chapter summaries and study questions review the key points in each chapter. Updated/Expanded Meeting the Client's Nutritional Needs chapter includes the new MyPlate food guide and new nutrition guidelines. Updated/Expanded Getting a Job and Keeping It chapter reflects the job prospects and challenges of today, including the realities of moving between states and differences in certification requirements. Updated equipment photos are included. Evolve companion website includes skills competency checklists and an audio glossary.

Mosby's Essentials for Nursing Assistants, 5e

Gym Bodies *Routledge*

Drawing on empirical research, this fascinating new book explores the embodied experiences of 'gym goers' and the fitness cultures that are constructed within gyms and fitness spaces. Gym Bodies offers a personal, interactive, ethnographic account of the multiplicity of contemporary gym practices, spaces and cultures, including bodybuilding, CrossFit and Spinning. It argues that gym bodies are historically constructed, social, sensual, emotional and political; that experience intersects with multiple embodied identities; and that fitness cultures are profoundly

important in shaping the body in wider contemporary culture. This is important reading for students, tutors and researchers working in sport and exercise studies, sociology of the body, health studies, leisure, cultural studies, gender and education. It is also a valuable resource for policy makers and practitioners within the fields of sport, leisure, health and education.

Under His Dominance *Totally Entwined Group (USA+CAD)*

FROM EXCITING ROMANCE AUTHOR JASMINE HILL A Dark and Deadly dark romance story Can he keep her forever, under his dominance? Asmodeus is the Archdemon of lust. Ever since he became a fallen angel, he's been walking the earth, inciting and encouraging lust and lechery amongst mankind. In his guise of Barrett Lord, he rules over an empire of clubs that cater to the lustful urges and fetishes of humans. When he spots Arianell Monroe at his annual

Halloween party, he determines to have her. Her angelic beauty and innocence are too much for him to ignore. He wants to take her purity as his own, corrupt her and ruin her for any other man. And he's going to start by introducing her to his private BDSM dungeon. Arianell is fascinated by BDSM, but her shyness, coupled with the reactions others have had to her albinism, has kept her from exploring her curiosity. But something about Barrett Lord puts her instantly at ease. She's immediately attracted to the powerful and dominant club owner and finds herself quickly sucked into his heady orbit. She naturally submits to his commanding alpha presence and sexual dominance but determines to set her heart and head against him. Even she knows that he's not the sort of man who will commit—to anything. Arianell is special and Asmodeus wants to keep her, but to do so, he'll have to risk everything. Will she agree to his plans? Or will he lose her forever?
