Knowing and Teaching Elementary
Mathematics is a book that compares
and contrasts American and Chinese
approaches to teaching elementary
mathematics ie arithmetic and
elementary geometry. The author argues
that Chinese teachers have a more
profound understanding of elementary
mathematics than their American
counterparts and provides pretty good
evidence of this.

15 Books That Will Make You A Better Teacher

Elementary school teachers contribute tremendously to student development. A child's experiences in their formative years shape them into the person they will become and teachers help in no small way to discover who that will be. Because teachers are such a big part of their students' lives, many develop almost parental relationships with them.
