In philosophy, to avoid linguistic traps over the meaning of "nothing", a phrase such as not-being is often employed to

make clear what is being discussed. Parmenides. One of the earliest Western philosophers to consider nothing as a concept was Parmenides (5th century BC), who was a Greek philosopher of the monist school. He argued that "nothing" cannot exist by the following line of reasoning: To speak of a thing, one has to speak of a thing that exists.

Nothing - Wikipedia

Doing nothing gives us the energy to do something. The thought of doing nothing can be scary. It was for me. When I was focused on doing it all, I rarely took time to do nothing. I ran at an unsustainable pace, multi-tasking my way through the day, and enjoying or being present for very little of it.

The Essential Practice of Doing Nothing - Be More with Less

Actually, doing nothing can be a great investment into your personal well-being and something worth making time for. Doing nothing in nature Once you've passed the above stages, it is time to practice this gentle art out in nature. Find a peaceful place — in your front yard if that's peaceful, a park, the woods, at the beach, a river, a lake — places with water are excellent. Places out of reach of the sounds of traffic and city life are best.
