Womens Lives Mens Laws - logisticsweek.com

An incredible revolution has been evident over the past 100 years, which

has transformed the lives of women. Opportunities have been created, expectations have been surpassed, and women now are on track to having equivalent rights and standards to that of males. Changes in the law have empowered women to gain the right to vote, right to an education, right to divorce, the right to abortions, as well as provide for them a platform to advocate for issues that were not previously addressed.
