Peace Like a River

A Novel Grove/Atlantic, Inc.

Hailed as one of the year's top five novels by Time, and selected as one of the best books of the year by nearly all major newspapers, national bestseller Peace Like a River captured the hearts of a nation in need of comfort. "A rich mixture of adventure, tragedy, and healing," Peace Like a River is "a collage of legends from sources sacred and profane -- from the Old Testament to the Old West, from the Gospels to police dramas" (Ron Charles, The Christian Science Monitor). In "lyrical, openhearted prose" (Michael Glitz, The New York Post), Enger tells the story of eleven-year-old Reuben Land, an asthmatic boy who has reason to believe in miracles. Along with his sister and father, Reuben finds himself on a cross-country search for his outlaw older brother who has been controversially charged with murder. Their journey is touched by serendipity and the kindness of strangers, and its remarkable conclusion shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates. Leif Enger's "miraculous" (Valerie Ryan, The Seattle Times) novel is a "perfect book for an anxious time ... of great literary merit that nonetheless restores readers' faith in the kindness of stories" (Marta Salij, Detroit Free Press).

Poems and Stories to Stir Your Soul Hachette Books

Poet, writer, and Instagram sensation Nikita Gill returns with a collection of fairytales poetically retold for a new generation of women. Traditional fairytales are rife with cliches and gender stereotypes: beautiful, silent princesses; ugly, jealous, and bitter villainesses; girls who need rescuing; and men who take all the glory. But in this rousing new prose and poetry collection, Nikita Gill gives Once Upon a Time a much-needed modern makeover. Through her gorgeous reimagining of fairytale classics and spellbinding original tales, she dismantles the old-fashioned tropes that have been ingrained in our minds. You will meet fearless princesses, a new kind of wolf lurking in the concrete jungle, and an independent Gretel who can bring down monsters on her own. Complete with beautifully hand-drawn illustrations by Gill herself, Fierce Fairytales is an empowering collection of poems and stories for a new generation.

And though the journey we are about to embark on is an inner one, it will draw upon every aspect of your life. The only requirement asked of you is the willingness to honestly look at yourself in the most natural, intuitive manner. Once refocused, you will realize that you not only have the ability to find yourself, you have the ability to free yourself. Whether you choose to do so or not is entirely up to you. But upon completion of your journey through these chapters, there will be no more confusion, no more lack of empowerment, and no more blaming others. You will know exactly what must be done. And should you choose to devote yourself to the ongoing journey of self-realization, you will develop a tremendous sense of respect for who you really are. It is only then that you will come to appreciate the full depth of meaning in the advice: "This above all: to thine own self be true." ---- Introduction

Soul Keeping

Caring For the Most Important Part of You Zondervan

The soul is NOT "a theological and abstract subject." The soul is the coolest, eeriest, most mysterious, evocative, crucial, sacred, eternal, life-directing, fragile, indestructible, controversial, expensive dimension of your existence. Jesus said it's worth more than the world. You'd be an idiot not to prize it above all else. Shouldn't you get pretty clear on exactly what it is? Shouldn't you know what it runs on? Wouldn't it be worth knowing how to care for it? Two things are for sure. One is: you have a soul. The other is: if you don't look after this one you won't be issued a replacement. Bestselling author John Ortberg writes another classic that will help readers discover their soul and take their relationship with God to the next level.

They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The Poisonwood Bible was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

Past Imperfect

French Intellectuals, 1944-1956 Univ of California Press

The uniquely prominent role of French intellectuals in European cultural and political life following World War II is the focus of Tony Judt's newest book. He analyzes this intellectual community's most divisive conflicts: how to respond to the promise and the betrayal of Communism and how to sustain a commitment to radical ideals when confronting the hypocrisy in Stalin's Soviet Union, in the new Eastern European Communist states, and in France itself. Judt shows why this was an all-consuming moral dilemma to a generation of French men and women, how their responses were conditioned by war and occupation, and how post-war political choices have come to sit uneasily on the conscience of later generations of French intellectuals. Judt's analysis extends beyond the writings of fashionable "Existentialist" personalities such as Jean-Paul Sartre, Albert Camus, and Simone de Beauvoir to include a wide intellectual community of Catholic philosophers, non-aligned journalists, literary critics and poets, Communist and non-Communist alike. Judt treats the intellectual dilemmas of the postwar years as an unfinished history. French intellectuals have not fully come to terms with the gnawing sense of what Judt calls the "moral irresponsibility" of those years. The result, he suggests, is a legacy of bad faith and confusion that has damaged France's cultural standing, notably in newly liberated Eastern Europe, and which reflects the nation's larger difficulty in confronting its own ambivalent past.
