A Battlefield of Values: America's Left, Right, and Endangered Center provides a candid but nonjudgmental examination of what people think and believe—and how this informs our divisions over core values. By addressing how individuals believe rather than how they vote, the book illuminates why 21st-century America is so conflicted politically and religiously; exposes what matters most to those on the right and left of the political, religious, and cultural spectrum; explains why the members ...

In American usage, "culture war" may imply a conflict between those values considered traditionalist or conservative and those considered progressive or liberal.This usage originated in the 1920s when urban and rural American values came into closer conflict. This followed several decades of immigration to the States by people who earlier European immigrants considered 'alien'.

The Battle for Values in American Westerns - The Objective ...

When we asked Americans a few years ago to talk about what was wrong with moral values, many responded by talking about the lack of consideration of others, deficits in the public's compassion, personal accountability, respect and tolerance; greed, selfishness, dishonesty -- in addition to things such as the change in family structure, lack of religion, lack of morals (a somewhat tautological ...
