Social Protection Policies In South

This book offers a comparative analysis of social protection policies in five countries of South Asia — India, Sri Lanka, Pakistan, Nepal and Bangladesh — where economic transformation impelled by globalisation and liberalisation has, on the one hand, caused an unprecedented expansion of the informal sector, and heightened the vulnerabilities of its workers on the other.

Social Protection Policies in South Asia - 1st Edition ...

At the turn of the millennium, social protection became a new priority for both states of the global South and international development policy more generally. As, in the past, social protection policies were considered unsuitable for development countries, the elevation of social protection to the level of a preferred instrument of development marks a fundamental paradigm shift.

Social Protection as Development Policy: A New ...

This article was based on a review and analysis of policy documents, reports and other relevant literature. It examines the nature and state of social protection in Lesotho, South Africa, Swaziland and Zimbabwe. While the strength of tradition and family solidarity guaranteed social protection in the African context this has been rendered ineffective by the pervasiveness of poverty and modern values of individualism.
