Schemes to help your business innovate and grow - GOV.UK

The national innovation system approach is thus complementary to a

competitiveness agenda, based upon trade advantage rather than national prestige or military power. Advocates of this agenda (which remains influential today) argue that states need to assist in building up a national system of innovation either to preserve or to expand the competitive advantage of domestic firms.

Three frames for innovation policy: R&D, systems of ...

In their comparative analysis of the innovation policy instrument portfolios of nine countries, Boekholt et al. conclude: “If we look at the current policy mix in the benchmark countries we see that supporting R&D in individual companies is still the major objective of innovation policies in many countries.” It may be

clear that systemic instruments are an important addition to the policy ...
