The Little Prince *GENERAL PRESS*

First published in 1943, *The Little Prince* by Antoine de Saint-Exupéry has been translated into more than 250 languages, becoming a global phenomenon. The Sahara desert is the scenery of Little Prince's story. The narrator's plane has crashed there and he has scarcely some food and water to survive. Trying to comprehend what caused the crash, the Little Prince appears. The serious blonde little boy asks to draw him a sheep. The narrator consents to the strange fellow's request. They soon become friends and the Little Prince informs the pilot that he is from a small planet, the asteroid 325, talks to him about the baobabs, his planet volcanoes and the mysterious rose that grew on his planet. He also talks to him about their friendship and the lie that evoked his journey to other planets. Often puzzled by the grown-ups' behavior, the little traveler becomes a total and eternal symbol of innocence and love, of responsibility and devotion. Through him we get to see how insightful children are and how grown-ups aren't. Children use their heart to feel what's really important, not the eyes. Heart-breaking, funny and thought-provoking, it is an enchanting and endlessly wise fable about the human condition and the power of imagination. A book about both childhood and adulthood, it can be read as a parable, a war story, a classic children's fairy-tale, and many more things besides: *The Little Prince* is a book for everyone; after all, all grown-ups were children once.

The Little Prince *Aegitas*

The Little Prince and (French: and Le Petit Prince) is a and novella and by French aristocrat, writer, and aviator and Antoine de Saint-Exupéry. It was first published in English and French in the US by and Reynal and Hitchcock and in April 1943, and posthumously in France following the and liberation of France and as Saint-Exupéry's works had been banned by the and Vichy Regime. The Little Prince: Le Petit Prince

The Little Prince [Le Petit Prince], is a novella and famous work of the French writer, poet and pioneering aviator Antoine de Saint-Exupéry (1900-1944). The work is both the most-read and most-translated book in the French language, and was voted the best book of the 20th century in France. After the outbreak of the Second World War, Saint-Exupéry became exiled in North America. In the midst of personal upheavals and failing health, he produced almost half of the writings for which he would be remembered, including a tender tale of loneliness, friendship, love and loss, in the form of a young prince fallen to Earth. An earlier memoir by the author had recounted his aviation experiences in the Sahara Desert, and he is thought to have drawn on those same experiences in *The Little Prince*. Since its first publication in the United States, the novella has been adapted to numerous art forms and media, including audio recordings, radio plays, live stage, film screen, television, ballet, and operatic works.

The Little Prince *Collector's Library*

"The most beautiful things in the world cannot be seen or touched, they are felt with the heart." After crash-landing in the Sahara Desert, a pilot encounters a little prince who is visiting Earth from his own planet. Their strange and moving meeting illuminates for the aviator many of life's universal truths, as he comes to learn what it means to be human from a child who is not. Antoine de Saint-Exupéry's delightful book has been translated into over 180 languages and sold over 80 million copies. This Macmillan Collector's Library edition features a specially commissioned new translation by Ros and Chloe Schwarz, as well as the charming original illustrations by Saint-Exupéry himself, coloured by Barbara Frith, one of England's leading colourists. It's a book that will enchant both children and adults alike.

Perspectives on Antoine de Saint-Exupéry's *Le Petit Prince*

Le Petit Prince

The Tale of the Rose

The Love Story Behind The Little Prince *Random House Trade Paperbacks*

In the spring of 1944, Antoine de Saint-Exupéry left his wife, Consuelo, to return to the war in Europe. Soon after, he disappeared while flying a reconnaissance mission over occupied France. Neither his plane nor his body was ever found. The Tale of the Rose is Consuelo's account of their extraordinary marriage. It is a love story about a pilot and his wife, a man who yearned for the stars and the spirited woman who gave him the strength to fulfill his dreams. Consuelo Suncin Sandoval de Gómez and Antoine de Saint-Exupéry met in Buenos Aires in 1930—she a seductive young widow, he a brave pioneer of early aviation, decorated for his acts of heroism in the deserts of North Africa. He was large in his passions, a fierce loner with a childlike appetite for danger. She was frail and voluble, exotic and capricious. Within hours of their first encounter, he knew he would have her as his wife. Their love affair and marriage would take them from Buenos Aires to Paris to Casablanca to New York. It would take them through periods of betrayal and infidelity, pain and intense passion, devastating abandonment and tender, poetic love. Several times in the course of their marriage they would go their separate ways, but always they would return. The Tale of the Rose is the story of a man of extravagant dreams, and of the woman who was his muse, the inspiration for the Little Prince's beloved rose—unique in all the world—whom he could not live with and could not live without. Written on Long Island in a quiet spell of reconciliation, The Little Prince was Antoine's greatest gift to the woman he never stopped loving, the only child to emerge from their union. The Tale of the Rose is Consuelo's reply—the love letter she never could write to her husband—a fable of its own, just as magical, poetic, and tragic as The Little Prince. Praise for The Tale of the Rose “We find in these pages all the tenderness and patience, but also the tenacity, of a woman who loves. Consuelo does not seek to explain or even to understand her husband, she accepts him and leads him to what he must be. . . . Written with a strong and authentic voice, The Tale of the Rose is a

book to read for its strength of character, and for the adventure that it offers.”—Elle

Short Stories in French for Beginners

The Little Lame Prince

The Little Prince *Walker*

A lone pilot stranded in the desert is awoken by a little prince, and they become friends. The prince comes from a tiny nameless planet far away. All that exists on his planet are three volcanoes and a flower. Yet, when the flower became difficult to please, like and understand, the little prince left in search of new friends and places.

Lord of the Flies *Penguin*

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything

they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

The Little Prince *Houghton Mifflin Harcourt*

An aviator whose plane is forced down in the Sahara Desert encounters a little prince from a small planet who relates his adventures in seeking the secret of what is important in life.

Le Petit Prince by Antoine de Saint-Exupery -

a voyage of self-discovery

I am the little prince

Dude, You're a Fag

Masculinity and Sexuality in High School, With a New Preface *Univ of California Press*

High school and the difficult terrain of sexuality and gender identity are brilliantly explored in this smart, incisive ethnography. Based on eighteen months of fieldwork in a racially diverse working-class high school, *Dude, You're a Fag* sheds new light on masculinity both as a field of meaning and as a set of social practices. C. J. Pascoe's unorthodox approach analyzes masculinity as not only a gendered process but also a sexual one. She demonstrates how the "specter of the fag" becomes a disciplinary mechanism for regulating heterosexual as well as homosexual boys and how the "fag discourse" is as much tied to gender as it is to sexuality.

G. I. Nightingales

The Army Nurse Corps in World War II *University Press of Kentucky*

Recounts the history of the Army Nurse Corps, whose members served with but not in the armed forces, and describes the experiences of nurses in every theater of World War II, including the special situation faced by African American nurses.

A Thousand Small Sanities

The Moral Adventure of Liberalism *Basic Books*

A stirring defense of liberalism against the dogmatisms of our time from an award-winning and New York Times bestselling author. Not since the early twentieth century has liberalism, and liberals, been under such relentless attack, from both right and left. The crisis of democracy in our era has produced a crisis of faith in liberal institutions and, even worse, in liberal thought. *A Thousand Small Sanities* is a manifesto rooted in the lives of people who invented and extended the liberal tradition. Taking us from Montaigne to Mill, and from Middelmarch to the civil rights movement, Adam Gopnik argues that liberalism is not a form of centrism, nor simply another word for free markets, nor

merely a term denoting a set of rights. It is something far more ambitious: the search for radical change by humane measures. Gopnik shows us why liberalism is one of the great moral adventures in human history -- and why, in an age of autocracy, our lives may depend on its continuation.

The Return of The Little Prince *AuthorHouse*

My book, *The Return of The Little Prince*, is a sequel to the marvelous and whimsical story of my uncle Antoine De Saint-Exupery, *The Little Prince*, where myth and poetry mix with reality and speak to us of the eternal in such an innocent manner. Both his story and mine are true. They are real stories of a quest to find that invisible spark of life which gives meaning to all there is. I learned the story from within, it was my aunt Consuelo De Saint-Exupery, an extraordinary person and the inspiration of Saint-Ex, the Rose of his story, who taught me to read, not only French in *The Little Prince*, but the essence of it as well. She talked to me about Saint-Ex, his dream world, of his airplane flights, of his moonstruck reveries, his airplane falls and the spirit that helped him survive them! Everything in that book was an integral part of what later happened to me and helped me to find that secret that now illumines my life. I remember. . . when I was a little girl, maybe six years old, I learned to read. . . know. . . and love the Little Prince. Later on, I learned that many others also did; it was, I believe, the bedside book of James Dean. I never knew him personally, but I read in an interview of a movie magazine that he said *The Little Prince* was his Bible. . . and I wondered if what drew him to it was the same thing that I loved about it? What I loved best was the invisible hidden in between such simple words and its childlike drawings, for concealed behind the fairytale there was a road map to a true spiritual experience. Whenever I read the last page of my uncle's book, I was moved by his sadness and felt a sense of urgency within me to find that lonely star landscape. So, I promised myself that one day I would find the Little Prince and let Saint-Ex know that he was back. Consequently, since early in life, I learned to close my eyes, open my heart and. . . began my quest. This tale is the fruit of my search. It has a happy ending as all good fairy tales have, for it happened that one day. . . when I least expected it. . . I found the Little Prince! Thus, I wrote this book, both as a direct answer to my uncle's plea, to share the good news with all those who love *The Little Prince* and as an invitation to quest to all those who long to find their reality. I have followed the same format of my uncle's book and also utilized the same style of drawings, wrapping my own story of how I searched and found the Little Prince with as much similarity as possible to that of his book, for a very good reason: I couldn't have done it in any other way, for I have loved *The Little Prince* since I was a child. My reason has been one of love, not arrogance, so please exempt me from the harshness of comparison if you are inclined to do so.

How to Live Like the Little Prince

A Grown-Up's Guide to Rediscovering Imagination, Adventure, and Awe

Full of insight, inspiration, and gentle compassion for our complicated modern lives, *HOW TO LIVE LIKE THE LITTLE PRINCE* captures the brilliance and wisdom of Antoine de Saint-Exupery's beloved tale. Few books have been as universally cherished as Antione de Saint-Exupery's *THE LITTLE PRINCE*. First published in 1943 and now one of the bestselling books of all time, the haunting, lyrical

fable explores the meaning of life through a young boy who travels the universe in search of happiness. In HOW TO LIVE LIKE THE LITTLE PRINCE, Stephane Garnier revisits Saint-Exupery's story with a fresh, contemporary eye, urging us - as the Little Prince did - to preserve our childlike wonder by slowing down, dreaming big, and showing humble kindness to our planet and one another. Featuring the iconic original illustrations from THE LITTLE PRINCE alongside memorable quotations and thought-provoking ideas about how we can apply St. Exupery's philosophies to the increasingly complex demands of modern life, Garnier offers a stirring guide to rediscovering what matters most - at any age.

Tales of the Gods, Sagas and Heroes *Sirius Entertainment*

"Many of the stories from Norse mythology have been handed down through the centuries in the oral tradition and most derive from Iceland. This thrilling collection of tales will transport readers to the realms of Asgard, where the gods such as Thor, Odin and Freya live, and Midgard, the home of humankind, that together form the cosmological tree of Yggdrasil. Filled with dramatic stories of dark deeds, cunning and war as well as love, compassion and humour, the Norse mythologies have influenced countless generations of writers and artists in various media - from Marvel Comics' Avengers to Manga creations and J. R. R. Tolkien's The Hobbit and The Lord of the Rings, as well as the renowned novel and TV series Game of Thrones and the composer Richard Wagner's Der Ring des Nibelungen. Contains more than 30 tales of Norse mythology. This handsome edition is produced in a slipcase, making it an ideal collector's edition or gift. Contains a variety of delightful black and white line illustrations"--Amazon.
