Lamps of Fire - Being Fully Human

A lamp of fire is an elemental evoker

which allows you to fire powerful, semi-controlled gouts of flame at your opponents. When evoked, you may choose a target tile, and up to three blasts of flame will be launched in that general direction, generating flame clouds along the path to the target. At low Evocations skill, this will likely create a single weak bolt of flame, but at higher skill levels you can deal surprisingly high amounts of damage and leave much of the battlefield engulfed in ...
