Original, beautiful, spare and haunting, *Odette's Secrets* is a major addition to the literature of this period." Yona Zeldis McDonough, author of *The Doll with the Yellow Star*.

Macdonald used the real Odette's auto- biography as the basis for this book, and her free-verse narrative is charming and effective. Although Odette's age is never given, her youthful perspective and the overall nonspecificity about the war, make the book best suited to readers on the younger end of the target audience. Ages 10-14.
