The authors identify several reasons for the limited transnational dialogue: time constraints, language constraints, lack of access to foreign case law and the general legal culture and legal environment in which refugee law judges operate.

Limits of Transnational Law: Refugee Law, Policy ...

THE LIMITS OF TRANSNATIONAL LAW State authority and power have become diffused in an increasingly globalized world characterized by the freer trans-border movement of people, objects and ideas. As a result, some international law scholars believe that a new world order is emerging based on a complex web of transnational networks.

Law is fundamentally limited in its potential to challenge corporations' power and their harm, because the law has been created to facilitate capitalist accumulation and therefore the rights of the property-owning class to force others to submit to its will. It cannot, therefore, be expected to have any emancipatory potential.
