The Curvy Side of Life is my third Suzie Carr novel. I think I like reading her in small doses. Her writing does not charm the pants off of me but she does produce solid work. Like this one. It's a long slow slog to get Faith Miller to the point where she can let go of the past and be her own woman. For most of the book she is stuck in said past and worries way too much about her young daughter (who refuses to talk to people).
