Because of that, your

teaching them a new

How to do IELTS

Write better IELTS
essays - focus on the
stages of an essay. A
key to this lesson is
process. The idea is
that if you want to
write a successful
IELTS essay, it helps to
think of the essay not

just as a product. Rather the idea is to see a good IELTS essay is made up of separate parts or stages. To write a good essay you

need to understand what those stages are and as you are writing think about what you need to do at each stage.
