COVID-19 - information and guidance for social, community ...

Community services play a key role in keeping people well, treating and managing acute illness and long-term conditions, and supporting people to live independently in their own homes. Community services are central to plans for the future of the health and care system. The NHS’s new long-term plan sets out ambitions to ‘boost “out-of-hospital” care, and finally dissolve the historic divide between primary and community health services’.
