### Seedfolks Paul Fleischman

Newbery-winning author Paul Fleischman uses thirteen speakers to bring to life a community garden's founding and first year. The book's short length, diverse cast, and suitability for adults as well as children have led it to be used in countless one-book reads in schools and in cities across the country.

"Seedfolks" by Paul Fleischman is a short novel about a vacant lot which connected a community. I wouldn't recommend that story to other readers. The story focused on new characters in separated chapters. The author didn't repeat the previous characters. There is also no ending about how the community was connected.
