Leadership For The Disillusioned Moving

"Leadership for the Disillusioned" presents a critical examination of current leadership styles and offers a more realistic alternative. Drawing on Eastern philosophies, it shows how we can become open to the challenges and potential of social and personal change, and thus lead with less ego, how we can make greater connection with others, and in a more liberating way.

Leadership for the Disillusioned, Moving beyond myths and ...

Not disillusioned with leading and making a difference in the world, but with how we are told these things ought to be done. Sinclair draws out the subtextual connections from pop leadership theory and practice to fascism and narcissism, dissecting the stereotypes. Then she offers other, non-destructive ways of being a leader.
