Amazon.co.uk: dell printer scanner

Dell has produced a range of printer models for various consumer needs. However, as of summer 2020, Dell no longer manufactures and sells their own printers on their website. The company made the decision to stop making printers back in 2016. Dell does still sell laser printers, inkjet printers, and even some 3D printers, but they are all manufactured by other companies, such as Lexmark, Epson ...
