Resurrection and Moral Order is broken down into three parts: the objective reality, the subjective reality, and the form of the moral life. Oliver O'Donovan begins in the Prologue referring to the realistic principle –“purposeful action is determined by what is true about the world into which we act;” the evangelical principle –“That truth it’s constituted by what God has done for his world and for humankind in Jesus Christ;” and the Easter principal –“the act of God ...

Resurrection and the Moral Order: An Outline for Evangelical Ethics1 by Oliver O’Donovan Reviewed by David W. Ponter Resurrecting the moral order? How does one go about resurrecting the moral order? After all, we live in an age of moral chaos. We live in an age of moral darkness (I say this as a Christian). And we live in an age of moral relativism.

Resurrection and the Moral Order
The resurrection is the key to the moral order to which we must conform. O'Donovan’s work moves along this pattern, transitioning from the objective moral reality (Section One), to the subjective reality of our life within that universe (Section Two), to the way these two interact to form our moral deliberation (Section Three).

Resurrection and Moral Order - Oliver O'Donovan

The resurrection shows that God is bringing life out of death, and redeeming the creation. God's created order, and human beings, are redeemed by Christ the representative. God has made the world in a particular way, and this means that morality is inescapable, and there will be commonalities in moral codes and norms.

The created order--the order of creation, the purpose for which it was established--is vindicated in the cross/resurrection of Christ and is given back to God's people. Although the point is not specifically made, it seems O'Donovan is stressing a teleological ethic (although I wouldn't pin him down on such).
