Teachers can easily add interactive learning activities to any lesson without searching online or developing anything from scratch. With Boardworks, teachers have thousands of digital activities at their fingertips that they can customize to match the learning experience required by their students.

Ready-Made, Interactive Lessons | Boardworks Education

The teacher is there to give guidance or encouragement—not easy answers. So give them questions on the text, and then let them to the work. You want them to feel like they can go out and see a play by Arthur Miller or any other playwright and not need to have their English teacher sitting next to them, explaining everything that is going on and what it means.
