How the Hundred Chart Helps Students Add & Subtract

Hundreds charts, or 120 charts, are used a lot in early elementary to help kids with a lot of mathematical concepts. In particular, they are often used for addition and subtraction. However, I have seen kids struggle way too much with this model, and they aren't learning the conceptual understanding through the model, and often I see kids using it as a crutch instead of

actually thinking through the addition and subtraction.
