Jane Grigson's Fruit Book: Grigson, Jane: Amazon.com.au: Books

Grigson published Jane Grigson's Fruit Book in 1982, a companion book to her Vegetable Book. Prue Leith, the cookery editor for The Guardian, said the book was "a great read and a vital leg-up for the cook temporarily bereft of ideas beyond apple pie.... There are literary, historical, and travel anecdotes, interleaved with solid information".

Jane Grigson - Wikipedia

This really is an old-fashioned tart, the kind you get in a traditional patisserie. I made it with greengages (reine-claude), one of the suggested alternatives. Be warned: when Jane says "poach the fruit until tender", this only takes about three minutes. Longer than that, and the fruit is likely to disintegrate, so set a timer and don't go away.
