Art And Life In Renaissance

Renaissance art, painting, sculpture, architecture, music, and literature produced

during the 14th, 15th, and 16th centuries in Europe under the combined influences of an increased awareness of nature, a revival of classical learning, and a more individualistic view of man. Scholars no longer believe that the Renaissance marked an abrupt break with medieval values, as is suggested by the French word *renaissance*, literally "rebirth."

Renaissance art | Definition, Characteristics, Style ...

The majority of great Renaissance works of art were produced in large and busy workshops run by a successful master artist and his team of assistants and apprentices. Here, too,

more mundane art was produced in larger quantities to meet the demand from clients with a more modest budget than possessed by rulers and popes.
