The Columbia Anthology of Modern Chinese Literature ...

Such an exciting diversity of views, reflections and theoretical thinking about the art and business of translating is now brought together in a two-volume anthology. The first volume covers a time-frame from roughly the 5th century BCE to the twelfth century CE. It deals with translation in the civil and government context, and with the monumental project of Buddhist sutra translation. The second volume spans the 13th century CE to the Revolution of 1911, which brought an end to feudal China.
