Smilla's Sense of Snow (film) - Wikipedia

Smilla's Sense of Snow is a beautifully written novel that uses the crime/thriller aspect as a vessel for other contemplations. The language varies from being impeccably

moving and poetic to dark and brutal without leaving a sense of disconnection. Smilla's internal thoughts on identity, colonisation, immigration and cultural assimilation hit home really hard for me.

"Smilla's Sense of Snow" is a superbly made film with one of the goofiest plots in many moons. Nothing

investigation of a case that even the police don't want to get involved in.
