Transformational Leadership vs. Servant Leadership for ...

Transformational Leadership According to Gary Yukl, transformational leadership has some similarities to servant leadership. For example the followers will feel greater trust for their leaders, greater admiration and loyalty for the organization and greater levels of motivation to do well those things they are expected to do.

Transformational Leadership | Pros Cons of Servant Leadership

While transformational leadership relies on the leader's charismatic power to achieve effectiveness, servant leaders create the same motivation and influence through the act of service, without grandstanding on the leader's part. While both styles of leadership are effective, there are risks attached to each.
