Cocaines Son A Memoir Dave

Cocaine's Son is as much my story as it is my father's: my chronicle of growing up enthralled by a man I could not fully understand, of our sometimes painful efforts, after his drug problem was

conquered, to remain in each other's lives, and the unexpected twists and turns that invariably led us back to each other. Whether or not your life has been touched by addiction issues, I hope this is a story with something to say about your own experience as someone's child or parent.
