"How can I describe Notes from the Tilt-A-Whirl: Wide-Eyed Wonder in God's Spoken World? It is about philosophical questions, but it is not a philosophy book. "Notes from the Tilt-A-Whirl" – Book review

"The Notes from the Tilt-a-Whirl Film Companion is a compelling medium for N.D. Wilson's meditations on theology and the world in which we live. In these ten, short, video portraits, Wilson provokes us to consider the God who is there; the God who speaks into existence a lavish universe and all the stories of our lives; the God who, in turn, hides himself in the myriad details of those stories to be discovered by those with eyes to see and ears to hear.
