The Continuum of Long-Term Care Thomson Delmar Learning ...

Long-term care (LTC) is but one piece of a continuum of care that stretches from living at home completely independently to the 24-hour supervision and care provided in LTC facilities. People want to stay at home as long as possible and to retain as much independence as they can, and they are often aided in doing so with informal care provided by family and friends.

Long-term care as part of the continuum - PubMed

The Continuum of Long-Term Care. Many receive long-term care at their homes or at community centers or adult day care centers. Institutionalized living is not always required, and proper long-

term care planning may allow one to remain at home longer than otherwise possible. For many, staying at home will be preferable during the transition when more long-term care assistance starts to be needed.

The Continuum of Long-Term Care - Retirement Researcher

The goal for long-term care in the twenty-first century is to be organized as an efficient, coordinated continuum of high-quality care (Evashwick, 2005). According to Evashwick and Rundall continuum of care is defined as more than a collection of fragmented services; it is an integrated system of care.
