Chess at Three gets kids playing and loving chess through storytelling, starting at the surprising age of 3. We have been working to equip children with learning tools and life skills since 2006. The company was founded by Tyler Schwartz and Jon Sieber. They created a curriculum based on two key principles: children can learn anything through fun stories and anyone can teach through fun storytelling.

About Us - Chess at Three

The rules of chess (also known as the laws of chess) are rules governing the play of the game of chess. While the exact origins of chess are unclear, modern rules first took form during the Middle Ages. The rules continued to be slightly modified until the early 19th century, when they reached essentially their current form.
