The Importance Of Communication Nursing Essay

Models of communication are conceptual models used to explain the human communication process. The first major model for communication was developed in 1948 by Claude Shannon and published with an introduction by Warren Weaver for Bell Laboratories. Following the basic concept, communication is the

process of sending and receiving messages or transferring information from one part to another. In 1960, David Berlo expanded the linear transmission model with the sender-message-channel-receiver mod
